Mixture—an effectual care for Chills and rever Intermittent and Remittent Fever, Dumb Ague and Bilious attacks.

This preparation contains nothing that can act initiations to the properties of the proof of this allegation, and to give more confidence to three taking this medicine, the Proprietor offers a reward, accompanying each bottle, which is to be given to any person who discovers either Arsente or Mercury in its composition, ingredients too often used in remedies for the above diseases; and which, while they offer prevent, for a season, the return of the chills, substitute in the system diseases far worse and more difficult to remove.

Use this valuable regetable production, and see for yourself that it will do ull that a good medicine can do and all that can be desired. It purises and circulates the blood, it acts as a gentle purguive upon the bowels, thus enabling nature to perform the regular exercise of her functions, and thus reatoring the health and bracing up the system. As a Preventive it is equally as effectual, and should be taken once or twice a day, which will tend to remove those diseased humors which often cause the above fevers.

The Proprietor states, without far of contradiction, that Paschall's Fever and Ague Mixture has effectually cured more persons where it has been introduced than any other preparation now in use, to say more is unnocessary, as the medicine is to stand or fall upon its own merits.

than any other preparation now in use, to say more is unnocessary, as the medicine is to stand or full upon its own merits.

From the numerous letters and certificates received by the Proprietor from persons who have tried the above named medicine. The following are selectedbecause they are generally known in the locality which this newspaper circulates, and because of the ready accessibility of the writers to any party inclined to doubt or seepticism in regard to the efficacy of this medicine.

From the Proprietor of the Delaware House at Bristol, Bucks county, Pa., known as Pratt's Hotel.

CHILLS AND FEVER.

DR. PASCHALL'S Fever and Ague

Mixture—an effectual care for Chills and Fever
Intermittent and Remittent Fever, Dumb Ague and
Bilious attacks.

This preparation calitains nothing that can actining trously upon the system, being composed entirely of vegetable substances. In proof of this allegation, and to give more confidence to these taking this medicine, the Proprietor offers a reward, accompanying each bottle, which is to be given to any person who discovers either Areance or Mercury in its composition, ingredients too often used in remedies for the above diseases; and which, while they often prevent, for a season, the return of the chills, substitute in the system diseases far worse and more difficult to remove.

Use this valuable regetable production, and see for vourself that it will do ult that a good medicine can and more difficult to remove.
