CHILLS AND FEVER. DR. PASCHALL'S Fever and Ague Mixture-an effectual cure for Chills and Fever mermittent and Remittent Fever, Dumb Ague and

Intermittent aud Remittent Fever, Jumb Ague and Bilous sincks. This preparation contains nothing that can actin-ingurously upon the system, being composed entirely ut vegetable sub-tances. In proof of this allegation, and to give more confidence to these tuking this medicine, the Proprietor offers a reward, accompa-uying ench houtle, which is to be given to any person who discovers either Arcence or Mercury in its com-position ingredients too often used in remedies for the above disenses; and which, while they often provent for a season, the return of the chills, substi-tute in the system diseases far worse and more diffi-cult to remove.

present for a season, the return of the chills, subsit-iute in the system discases far worse and more diffi-eult to remove. Use this valuable regardable production, and see for yourself that it wild do all that a good medicine can do and all that can be desired. It purifies and eircu-lates the blood, it acts as a gentle purgative upon the howels, thus enabling mature to perform the regalar exercise of her functions, and these restoring the health and bracking on the system. As a Preventive it is equally aveiffectual, and should be taken once or twice day, which will tend to remove those diseased hu-mors which often cause the above fevers. The Proprietor suites, without feur of contradiction, that Paschall's Fever and Ague Mixture has effectu-day own merits. Form the numerous letters and certificates received by the Proprietor from persons who have tried the above anged medicine. The following are selected because they are generally known in the locabily which this received by the writers to any party inclined to double or sceptures in regard to the efficacy of this necksibility of the writers to any party inclined to the proprietor of the Delaware House at Bris-
