From the Trenton Daily State Gazette.

BORDENTOWN FEMALE INSTITUTE—

"A more beautiful situation and one better adapted to its purposes, can rarely be found. The young ladies have an elegant play ground well shaded, and commanding a fine view of the Park, the Delaware, Penn's Manor, and Trenton. Unbounded exercise, Chemical and Philosophical Apparatus, a large Herbarium, and a fine collection of American and Foreign minerals and fossils.

REV MR BRAKELEY'S FEMALE SEMINARY—

"We are satisfied from our personal acquaintance with the Principal, that pupils could not well be trusted to the keeping of a more estimable teacher than he is.—*State Journal Wilmington, Del.*

BORDENTOWN FEMALE COLLEGE.—It seems to us that a course of study marked out is most excellent, and the proper one to bring forth true women and not fashionable turned off from many of our female seminaries.—*Camden (N J) Democrat.*

BORDENTOWN FEMALE COLLEGE.—The fact that so many prominent citizens and others have assigned parental guardianship over the care and education of their daughters to Rev Mr Brakeley as a fit agency is connected in his establishment is a body of references.—*American Inquirer.*

BORDENTOWN FEMALE COLLEGE.—We know of no location in the country where the health of the students can be so promoted as here, while the air of beauty and eminence which surrounds the place must tend in a small degree to the refinement and elevation of taste and feeling.

On the literary advantages we need not speak, the name of Rev J H Brakeley, is President is such a sure guarantee for them. Of stern integrity and moral worth—in his department mild, yet firm and unmoved and endowed with superior educational qualifications—he cannot fail to exercise a most beneficial and candidate influence.—*Bordentown Register.*

BORDENTOWN FEMALE COLLEGE.—A more pleasant and healthy spot could not be selected in the State of New Jersey for an institution of learning.—*Brunswick Fredonian*

SCHOOL DIRECTORS AND TEACHERS,

observe this one fact; there is not another house in the State that gives the furnishing of the School Room with the best of necessary School Books and Apparatus as much attention as this House does; consequently, we have arrangements with Publishers and Manufacturers that others have not, which enables us to sell everything of the kind at the very lowest prices. To retain our position as the furnishers of such articles, we shall always make it a point to take no agency but for that article which is considered the best adapted to the wants of our Public Schools, and before deciding upon the merits of any article, we consult with, and get the opinion of competent judges.
