 PROFESSOR O J WOOD-Dear Siz-Chnsolicited I sendy ou this critificate. After being nearly bail for along time, and having molecule the hear restorative ratas, and having no faith in any, I was induced, on hearing of yours to give it a trial. Dear Sir.-Having become prematurely guite gray, i was induced, some weeks sence, to nake a trail of your Restorative. I have used less than two bottle-, but the gray hairs have all dis-appeared: ugad although my hair has not fally attained its original color, yet the process of change is gradually going ou, and I am in great hopes that in a short time my hair will be as dark as formerly. I have also been much gratified at the healthy moisture and vigor of the hair, which before was harsh and dry; and it has ccased to come out as formerly. Respectfully yours, Professor Woop.

Professor Wood. Carlyle, Illinois, June 19, 1855. I have used Prof Wood & Hair Restorative, and have admired its woulderful effect. My hair was be-coming, as I thought, premainerly gray, but by the use his "Restorative," it has resumed its original color, and I have no doubt, permanently so.
