ONE SLAVE.—There is but one slave returned in the septennial census for 1857, in Pennsylvania, and that one is in Lancaster county. It will be remembered that by the emancipation act of Pennsylvania, in 1780, all colored persons born after a certain day in that year were to be free at the age of 28 years, and all darkies who were in existence at said date, were to remain slaves.

CLERK OF QUARTER SESSIONS.—We are authorized to announce, that SAMUEL EVANS of Columbia, will be a candidate for the office of Clerk of Quarter Sessions, subject to the decision of the Union County Convention.

OH! YE BALD HEADED.—We invite the attention of those who are bald headed, and those who are afraid of becoming so, to the advertisement of *Prof. Wood's Hair Restorative* in to-day's paper. We are not in the habit of puffing every quack nostrum that is advertised in our paper, but we feel it our duty, when we come across an article that is good, to let the people know it. We have no fears of having soon to "scud under bare poles," and therefore have not used the *Restorative*, but think, if the certificates of honest men can be relied upon, that it must be a first rate article. Try it, ye whose natural wigs need rejuvenation.—*Rockville Republican.*

BACH'S AMERICAN COMPOUND.—OPINIONS OF PHYSICIANS.—*Home Testimony and Proofs.*—Auburn, June 10, 1855.—We, the undersigned, have received the formula for preparing "Bach's American Compound," and as far as we have tested it, can recommend its general use as a tonic and Alterative Medicine, to remove vitiated humors of the blood, and peculiarly adapted to females suffering from Leucorrhœa. [Whites] and to those constitutions are enfeebled from intermittent Fever.
JOSEPH M. MORRIS, M. D.,
LANSINGH BRIGGS, M. D.,
A. C. TABER, M. D.

Bach's American Compound owes its success to the intrinsic curative properties of the vegetables which compose it. It contains a *Compound Fluid Extract of Beach Drop or Cancer Root," now first given to the Public*, but long known to the Indians as a never failing cure for Scrofulas, Consumption, Humors of the Blood, and chronic diseases in any part of the system. This medicine can now be had of all reliable dealers in the United States and Canada. See advertisement in another column.

Pratt's Patent Hay and Grain Rake.

(PATENTED JANUARY 5th, 1856.)

Also, Clover & Timothy Sower, &c.

THE undersigned having used Pratt & Smedley's Improved Rake in gathering our crops the present season, can say that we consider it a Time and Labor Saving Machine. In rapidity and ease of operation it is unsurpassed by any other, and it leaves the hay in win-rows, in excellent condition for pitching.

It is also well adapted for raking Wheat or Oat stubble, as it neither wastes the grain, nor collects so much rubbish as the common rake, and does not injure the grass. Some of us have used it for raking wheat in stack for binding, and found it to answer well.

For all the above purposes, it has given entire satisfaction.

HEALING SALVE,

For Chronic Ulcers, Abscesses, Burns, Scalds, and the Radical Cure of Corns, Bunions, &c.

SPICED LIQUORS,

For the speedy cure of Diarrhœa, Dysentery, Summer Complaint, Cholera Morbus, and other disorders of the Digestive Organs generally.

COUGH MIXTURE,

For the Speedy Cure of Coughs, &c.

The above named Medicines are manufactured by Hannah Bosley, Union street, above 5th, Columbia, Pa. Numerous certificates, in proof of their efficacy, have been given voluntarily, among which are the following:

Having been afflicted with dyspepsia for six years, and having tried a great many different kinds of medicine to no purpose, I was induced to try Hannah Bosley's Spiced Liquor, and after using two bottles, became entirely cured. I therefore take great pleasure in recommending her medicine to the afflicted, and hope they will give it a trial. GEO. W. EILER.

It gives me great pleasure to recommend Dr. H. Bosley's healing salve for the cure of chronic ulcer. I have spent a vast amount of money, in the last four years, with some of the most eminent physicians, without the least hope of a cure until I tried Bosley's Salve, which gave me immediate relief. I do not hesitate to recommend it to the public. WM. THOMAS.
Columbia, Nov. 28, 1856.

The subscriber having been taken with a very violent attack of diarrhœa, with cramps, it being in the middle of the night, and not wishing to call a physician at that time, I happened to have a bottle of Doctress H. Bosley's Spiced Liquor in the house, to which I resorted; and, to my surprise and pleasure, was completely cured by taking two doses, as directed. I have since used it in my family and recommended it to my friends and, in all cases, it has acted like a charm. I cheerfully recommend it; as in my opinion, it is the best article extant for the cure of the complaints for which it is intended.

PHILIP F. FRY, 541 Green street, Phila.
Columbia, Dec. 30, 1856.

I take pleasure in recommending Dr. Hannah Bosley, for the cure of corns. I have had two taken out, and cured; and that with little or no pain.

A. BRUNER.

Doctor Hannah Bosley's Salve cannot be too highly recommended; it completely cured me of a frozen heel in less than a week, other remedies were tried in vain; at last my friends prevailed upon me to try this salve. All so afflicted will do well to give her a trial.

HARRIET MARSHALL.
Allegheny City, Pa.

I take this method of recommending Dr. Hannah Bosley's Spiced Liquor to the public, as a certain cure for dyspepsia. I had been laboring under the disease for eighteen months, and had tried different medicines to no avail, until I was prevailed upon to try her Spiced Liquor. After using one bottle and a half I became entirely cured. I hope those afflicted with this disease will give it a trial. E. A. WATTS.

P. S.—Persons calling at the residence of Mrs. Bosley, need not be surprised at finding her a colored woman, as this is an undeniable fact; but she trusts it will not have effect on the curative powers of her medicines.

AYER'S PILLS.

For all the purposes of a Family Physic.

THERE has long existed a public demand for an effective purgative pill which could be relied on as sure and perfectly safe in its operation. This has been prepared to meet that demand, and an extensive trial of its virtues has conclusively shown with what success it accomplishes the purpose designed. It is easy to make a physical *Pill*, but not so easy to make the best of all *Pills*—one which should have none of the objections, but all the advantages of every other. This has been attempted here, and with what success we would respectfully submit to the public decision. It has been our unfortunate fate for patient hitherto that almost every purgative medicine is acrimonious and irritating to the bowels—This is not. Many of them produce so much griping pain and revulsion in the system as to more than counterbalance the good to be derived from them. These Pills produce no irritation or pain, unless it arises from a previously existing obstruction or derangement in the bowels. Being purely vegetable, no harm can arise from their use in any quantity, but it is better that any medicine should be taken judiciously. Minute directions for their use in the several diseases to which they are applicable are given on the box. Among the complaints which have been speedily cured by them we may mention Liver Complaint, in its various forms of Jaundice, Indigestion, Languor and Loss of Appetite, Listlessness, Inactivity, Bilious Headache, Bilious Fever, Fever and Ague, Pain in the side and Loins; for in truth, all these are but the consequences of deranged action of the liver. As an aperient they afford prompt and sure relief in Costiveness, Piles, Colic, Dysentery, Humors, Scrofula and Scurvy, Colds with soreness of the body, Ulcers and impurity of the blood; in short, any and every case where a purgative is required.

They have also produced some singularly successful cures in Rheumatism, Gout, Dropsy, Gravel, Erysipelas, Palpitation of the Heart, Pains in the Back Stomach and Side. They purify the blood, and by their stimulant action on the circulatory system, remove the strength of the body, and restore the wasted and diseased energies of the whole organism. Innumerable cases in which a physician is required cannot be enumerated here, but they suggest themselves to the reason of everybody; and it is confidently believed this pill will answer a better purpose than anything which has hitherto been available to mankind.—When their virtues are once known, the public will no longer doubt what remedy to employ when in need of a cathartic medicine.

Being sugar wrapped they are pleasant to take; and being purely vegetable, no harm can arise from their use in any quantity.

For minute directions, see the wrapper on the box.
