ALWAYS SOMETHING NEW! READ THIS--OLD AND YOUNG PROF. WOOD'S Hair Restorative, is, no doubt, the most wonderful discovery of this age of progress, for it will restore, permanently, gray hair to its original color, cover the head of the baild with a most luxurant growth, remove at once all dandruff and liching, cure uil scrabia, and other cutineous cruptions, such as secald head, etc. It will cure, as if by ungic, nervous or periodical headache; make the hair soft, glossy, and wavy, and preserve the color perfectly, and the hair from falling, to extreme old age.

hair soft, glossy, and wavy, and preserve the color perfectly, and the hair from falling, to extreme old green the color perfectly, and the hair from falling, to extreme old green following is from a distinguished member of the medical profession:

St. Paul January 1. 1835.

Professor O. J. Woop—Dear Sir:—Unsolicited I send you this certificate. After being nearly half for along time, and finaving in fault in any, I was induced, on hearing of yours to give it a trial. I pluced myself in the hands of a barber, and had my head rubbed with a good stift brush, and the Restorative then applied and well rubbed in, till the scaip was uglow. This is repeated every morning, and in three weeks the young hair appeared and grew rapidly from Augustiats till the present time, and is now thick, black and atrong—soft and pleasant to the touch; whereas, before, it was harsh and wirry, what little there was of it, and that little was disappearing very rupidly. I still use your restorative shout twice a week, and shall soon have a good and perfect crop of hair—Now. I had read of these things—and who has not? but have not seen hitherto any case where any persan's hair was really benefated by any of the hair tonic, etc., of the day; and it really gives me pleasare to record the result of my experience. Inwe recommended your preparation to others, and it already has a large and general sale throughout the Territory.—The people here know its effects, and have confidence in it. The supply you sent us. as wholesale agents for the Territory, is nearly exhausted, and daily in quiries are made for it. You deserve credit for your discovery; and i. for one, return you my thanks for the benefit it has done me, for I certainty had deepaired in the Boston. 27 School Street. March 20. 1855

Boston, 27 School Street, March 20, 1855

Dear Sir:—Having become premainrely quite gray
I was induced, some weeks since, to make a trial of
your Restorative. I have used less than two bottles
but the gray hairs have all disappeared; and although
my hair has not fully attained as original color, ye
the process of chonge is gradually going ou, and I on
in great hopes that in a short time my hair will be at
dark as formerly. I have also been much gratified
at the healthy moisture and vigor of the hair, which
before was harsh und dry, and it has ceased to come
out as formerly. Respectfully yours,
Professor Wood.

Carlyle, Illinois, June 19, 1855.

I have used Prof Wood's Hair Restorative, and have admired its wonderful effect. My hair was becoming, as I thought, prematurely gray, but by the its "Restorative," it has resumed its original color, and I have no doubt, permanently so. SIDNEY BREESE, Ex-Senator United States. O.
