and a perfect cure is warranted when the above quantity is taken.

Reader, I peddled over a thousand bottles of this in the vicinity of Botton. I know the effect of it in overy case. So sure as water will extinguish fire, so sure will this cure humor. I never sold a bottle of it but that is good another; after a trail it always speaks for itself. There are two things about this herb that appear to me surprising; first that it grows in our pastures, in some places quite pientiful, and yet its value has never been known until discovered it in 1840—second, that it should cure all kinds of humor. In order to give some idea of the sudden rise riac grent popularity of the discovery, I will state that in April, 1834, I peddled it and sold about six bottles per day—in April, 1834, I sold over one thousand bottles per day—of it.

Some of the wholesale Druggists who have been in business twenty and thirty years, say that nothing in the annals of patent medicines was ever like it—There is a universal praise of it from all quariers.

In my own practice I always kept it strictly for hamors—but since its introduction as a general family medicine, great and wonderful virtues have been found in it that I never suspected.

Several cases of pelipopic fix—a disease which was always considered incurable, have been cured by a few bottless. O, what a mercy if it will prove effectual in all cases of that awful maindy—there are but few who have seen more of it than I have.

I know of several cases of dropsy, all of them aged people, cured by it. For the various diseases of the Liver, Sick Headache, Dyspepsia, Asthma, Fever and Ague, Pain in the Side, Diseases of the Spine, and particularly in diseases of the kidneys, &c., the diseaver of that down.

J. R. STAFFORD'S OLIVE TAR, Stafford's Olive Tar Cures all Diseases of the Throat and Lungs.

Stafford's Olive Tar Cures all Diseases of the Throat and Lungs.

LIVE TAR is applied and inhaled, and is not taken.

DIRECTIONS—Apply by rubbing where pain or disease exists, then cover the parie with a plaster made of oiled silk, to which suitch a thin layer of coin balling; then cover the batting with thin muslin. Colton or woolen flunnel may be used instead of the oiled silk plaster, but the operations of the remedy will not be as speedy, nor as effective.

For Instance—Place a succe over a bowl of hot water, (and keep it hot.) pour into the saucer enough olive Tar to cover the tottom; the apartment will soon be utted with its odor, affording to the patient an atmosphere impregnated with the delightful, bleuded around of THE OLIVE AND OF THE PINE.

ID Renew the Olive Tar daily for inhaling by the above method.

Another method of inhaling is to put Olive Tar on the Olived Silk Plaster, which being worn upon the chest, the heatt of the hody will cause the Olive Tar to evaporate gradually, and as it rises it will be inhaled. The Olded Silk Plaster should be medicated with fresh Olive Tar every other day. In acute cases, or in these of long standard.

Coughs, &c., &c., will yield at once to its combined cuttifive powers.
Stafford's Olive Tax softens and penetrates the skin; therefore in all Chronice or Active Inflammations it will be found highly heneficial, as it acts directly upon the Nerves, the Abseles, and the Joints, OLIVE TAR OINTMENT is made by mixing Olive Tax and Mutton Tallow in equal parts. This Ointment is a positive care for all diseases of the skin Pain cannot exist where Olive Tax or Olive Tax Ointment is applied.
