☞"I understand, Mr. Jones, that you can turn anything neater than any man in this town."

"Yes, Mr. Smith, I said so."

"Well, Mr. Jones, I don't like to brag, but there is no man on earth that can turn a thing as well as I can whittle it?"

"Poh, nonsense, Mr. Smith, talk about whittling; what can you whittle as well as I can turn it?"

"Anything, everything, Mr. Jones. Just name the article that I can't whittle, that you can turn, and I will give you a dollar, if I don't do it to the satisfaction of all these gentlemen present."

"Well, Mr. Smith, suppose we take two grindstones, just for trial; you may whittle and I will turn."

Mr. Smith slid.

For the information of the owners of Real Estate in this Borough, we again publish the 2d. Section of an Act of Assembly, passed on the 29th. of March, A. D. 1855, relating to the *collection of Water Rents in Columbia.*

"SECTION 2. That the Water Rents hereafter to be assessed, shall be a lien on the freehold occupied by persons using the Water, to be recovered in the same manner as taxes due the Commonwealth are by law recoverable."

A CARD.

To the Editor of the Columbia Spy:

SIR:—Since I have been announced as a candidate for the Sheriffalty of Lancaster county, I have been frequently interrogated by old friends, as well as more recently formed acquaintances, as to the length of time I have been a resident of the county; at the same time being informed that reports are in circulation that I had just come to the county—in some cases stating the time to be two or three years, in others four or five years.—And as it became a matter of considerable interest to a large number of our citizens who take an active part in the selection and election of our county officers, I was asked to state the facts in relation to the subject. In addition to these inquiries, made of me in person; I have received several letters from highly respectable gentlemen living in different and most distant parts of the county, asking the same question, and desiring an answer thereto, either privately, or through the medium of the Press, as best suited me.

Below I append one, which embodies the substance of all of them:—

"Leacock, June 22d, 1857.

"JAY CADWELL—SIR:—Reports are in circulation, which, if not corrected, may prove injurious to you, viz: That you have only been a resident of this county some three or four years, and therefore have no claims to any office. Will you please give me an answer to this inquiry, either privately or through the medium of the Press, as you may deem most proper, and oblige many who are anxious to know the truth."

The inquiry is in itself perfectly respectful and proper, and as it bears the impress of candor, and a desire to do me justice, I feel free to give it a respectful and decisive answer. And as I do or say nothing, politically, socially or morally, that I wish to conceal from the world, I wish you to publish my reply, so that hereafter none need give currency to such misrepresentations—unless they do it designedly and maliciously.

I came to the city of Lancaster, direct from the place of my nativity, (viz: Hartford, Conn.,) about the middle of October, 1845, and after spending the fall and winter ensuing, in this county, I returned to Connecticut, and brought my family with me to Souderdsburg, Lancaster county, 7 miles from Lancaster, which place we reached March 22nd, 1846. We remained residents of Souderdsburg some 8 months, when we removed to this city, since which time we have been constant residents, making a period of more than eleven years residence in the county with my family, and nearly twelve years for myself.

I regret the necessity for this publication existed, but, believing that justice to the community as well as myself demands it, I could not refrain from making this statement. Respectfully, JAY CADWELL.

WOODS HAIR RESTORATIVE.—We have never known any other medicine win as large a share of public confidence in so short a time as this has done. It has not been more than a year since we first heard of it, and it now stands at the head of all remedies of the kind. We have never used any of it ourselves, having had no occasion, as our "crown of glory" not only as yet retains its original color, but gets more so—as do most of our friends who have, and we have never known it to fail of restoring the hair to its original color. We advise such as are becoming prematurely gray, to give the "Restorative" a trial.—*Chester, (Illinois) Herald, June, 1856.*

☞*Holloway's Ointment and Pills* have a cosmopolitan reputation. In every land, Christian or Savage, to which commerce has carried them, they have become standard remedies for the most painful and dangerous complaints to which humanity is liable. The ointment is an acknowledged specific for all eruptive, tumorous, and ulcerous disorders, and there is no disease of the stomach, the liver or the bowels, that may not be subdued by a persistent use of the Pills.

THE APPROACHING FOURTH.—Everybody is making preparations of some kind for the proper observance of the glorious Fourth. Some will go abroad, and some will stay at home, others will remain sober, some will don military uniforms, while the great majority will wear such plain clothes as are becoming to respectable and patriotic private citizens. Of course the great mass of these people will get their garments at the Brown Stone Clothing Hall of Rockhill Wilson, Nos. 603 and 605 [new style] Chestnut street, above Sixth, Philadelphia.

FEMALE WEAKNESS.

AUBURN, March 13, 1855.

GENTS:—My wife has long suffered from a female weakness. Her stomach was very weak, and it was effort was accompanied by a sharp pain at the pit of the stomach; her appetite and general health have been very poor for a long time. But your "Bach's American Compound," has entirely cured her. A back, was another difficulty my wife suffered from; your medicine is giving her so much strength, that is fast disappearing. I have great reason to believe your "Bach's American Compound" is the most powerful and effective medicine for this and other diseases I have ever known.

Yours respectfully, GEO. W. CRAY.

Bach's American Compound owes its success to the intrinsic curative properties of the vegetables which compose it. It contains a *Compound Fluid Extract of Beach Drop or Canker Root," now first given to the Public*, but long known to the Indians as a never failing cure for Scrofulas, Consumption, Humors of the Blood, and chronic diseases in any part of the system. This medicine can now be had of all reliable dealers in the United States and Canada. See advertisement in another column.

The goods are all well sponged and prepared and great pains taken with the making, so that all can buy with the full assurance of getting a good article at the very lowest price.

THOMAS B. SUMMERIL respectfully informs the citizens of Columbia that he has taken charge of Dellinger's Photograph Rooms, Corner of Front and Locust streets, Columbia, Pa., where he is fully prepared to take all the above named pictures in a style not to be surpassed by any other artist.

A long and large experience has enabled him to become perfect master of the art; he therefore flatters himself that he will be able to render entire satisfaction to all who may favor him with their patronage. As the

MELAINOTYPE

is a late invention, and many persons have not seen them, he would state that they are taken on sheet iron, and in richness of tone, warmth of expression, completeness of detail, and boldness of feature, *Good Melainotypes* are not surpassed. They will receive a fall without a fracture, a bend without injury, may be washed off when soiled, and handled without the face being marred, unless by rough scratching, which would deface the best oil painting.

"NO SUCH WORD AS FAIL."

A RESISTLESS REMEDY.

HOLLOWAY'S OINTMENT.

CIRCULAR TO THE SICK.

The first hospital surgeons and medical publicists of Europe admit the unparalleled anti-inflammatory and healing properties of this Ointment; governments sanction its use in their naval and military services; and the masses in this country and throughout the world repose the utmost confidence in its curative properties. It penetrates the sources of inflammation and corruption which underlie the external evidences of disease, and neutralizes the fiery elements which feed and exasperate the malady.

RHEUMATISM, SCROFULA, ERYSIPELAS.

These are among the most terrible and agonizing diseases of the muscles, the fleshy fibre and the skin; yet in their worst forms, and when seemingly incurable, they invariably disappear under a persevering application of this soothing, healing, antidote to pain and inflammation.

SALT RHEUM, FEVER SORES, STIFF JOINTS.

In cases of Salt Rheum, where medical waters, lotions, and every recipe of the pharmacopœa have proved useless, the Ointment will accomplish a thorough cure. Fever sores heal quickly under its influence, and its relaxing effect upon contracted sinews is truly wonderful.

DISCHARGING ULCERS.

A most remarkable and happy change is produced in the appearance of malignant ulcers after a few applications of this Ointment. The surrounding redness vanishes, and granules of healthy flesh begin to take the place of the discharging matter. This process goes on more or less rapidly until the orifice is filled up with sound material, and the ulcer radically cured.

A WORD TO MOTHERS.

The young are the most frequent sufferers from external injuries, and therefore every mother should have this healing preparation constantly at hand. It is an absolute specific for sore breasts, and quickly removes the encrusted sores which sometimes disfigure the heads and faces of children.

SIGNIFICANT FACTS.

This Ointment is universally used on board the Atlantic and Pacific whaling fleet as a cure for scorbutic affections, and as the best possible remedy for wounds and bruises. Large supplies of it have recently been ordered by the Sultan of Turkey for hospital purposes.

Both the Ointment and Pills should be used in the following cases,

Bunions,	Rheumatism,	Sore Throats,
Burns,	Ring Worms,	Sores of all kinds,
Chapped Hands,	Salt Rheum,	Sprains,
Chilblains,	Scalds,	Stiff Joints,
Fistula,	Skin Diseases,	Tetter,
Gout,	Swelled Glands,	Ulcers,
Lumbago,	Sore Legs,	Venereal Sores,
Mercurial Erup-tions,	Sore Breasts, Sore Heads,	Wounds of all kinds.
Piles,		

☞CAUTION!—None are genuine unless the words "*Holloway. New York and London,*" are discernible as a *water-mark* in every leaf of the book of directions around each pot or box; the same may be plainly seen by *holding the leaf to the light.* A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines or vending the same, knowing them to be spurious.

***Sold at the Manufactory of Professor Holloway, 80 Maiden Lane, New York, and by all respectable Druggists and Dealers in Medicine throughout the United States and the civilized world, in pots at 25 cents, 62½ cents, and $1 each.

Prof. WOOD'S HAIR RESTORATIVE.

IT HAS WORKED MIRACLES.

THAT all the Bald and Gray can be restored perfectly to original growth and color, so far as their locks are concerned does not admit of doubt; besides, it is certain every possible disease of the scalp, whether developed as dandruff itching or in the shape of cutaneous eruptions—even scald-head—and in no possible case will it fail of curing as if by magic, nervous or periodical headache, and if used twice a week by the young regularly, it will preserve the color, and keep the hair from falling, to any imaginable age. Read and judge.

Millford, Worcester Co., Mass., Nov., 1855.

Prof. O. J. Wood—Dear Sir: I take pleasure in bearing voluntary testimony to the magic effects of your wonderful Hair Restorative. As far back as 1836, my hair commenced falling off, until the top of my scalp became bald and smooth as glass, and it has continued to fall for a great many years, notwithstanding I have used many celebrated preparations for restoration. Seeing your advertisement, I was induced to give your article a trial, and to my utter astonishment, found, after a few applications, that my hair became firmly set, and assumed a glossy and beautiful appearance; and by the time I had used a quart bottle, my bald head was covered over with a young and vigorous growth of hair, which is now from one to two inches in length and growing fast.

Yours, truly, HENRY GOODRICH.

Charleston, Mass., Aug. 8, 1855.

Gents:—Nothing but a duty and sympathy that I feel to communicate to others the benefit I have been, would induce me to give this public acknowledgment of the benefit I have received from Prof. Wood's Hair Restorative. When I first commenced using it, my hair was quite gray, and in spots entirely bald. I have now used the Restorative about five months, and my hair is entirely changed to its original color, brown, and the new hair is over three inches in length on the spots where it was bald. I have also been much gratified at the healthy moisture and vigor of the hair, which before was dry, and it has ceased to come out as formerly.

Respectfully yours, &c.,

MRS. R. A. STODDARD.

From Mrs. Ingalls, a well known nurse in Boston.

Boston, Oct. 19th, 1855.

Gents:—At your request, and being so highly pleased with the effects of the Restorative, I am free to state that my hair had become quite thin, and entirely white. I have for the last five years been in the habit of using dye, but hearing of the extraordinary effects of this article, I was induced to try it. My hair has been restored to its original thickness, and also to its former color, which is light brown.

Yours respectfully, MRS. INGALLS.

The following is from the Pastor of the Orthodox Church, Brookfield.

Brookfield, Mass., Jan. 12, 1855.

Prof. Wood—Dear Sir—Having made trials of your Hair Restorative, it gives me pleasure to say, that its effects have been excellent in removing inflammation, dandruff, and a constant tendency to itching, with which I have been troubled from my childhood, and has also restored the hair, which was becoming gray, to its original color. I have used no other article, with anything like the same pleasure and profit.

Yours, truly, J. K. BRAGG.

WHAT IS IT FOR.—*The Wood's Hair Restorative*—Is a question asked daily by hundreds. We answer without hesitation or fear of contradiction, that it is the only article known which will do all it promises for the human hair. It will renew its growth—it will stop its falling—it will restore its natural color! It is not a Hair Dye, but a speedy and efficacious restorative.

EXTRACT

OF THE ORMIS JEWEL PLANT,

FOR removing Tan, Freckles, Pimples, beautifying the complexion, giving the skin a healthy appearance, and for cleansing the teeth.

The Jewel plant has long been known by the United States Pharmacopœia, as a medicine for both internal and external diseases, but it is only within a year or two that it has been discovered to possess such qualities as recommended for above. It is a delightful extract, and highly scented by its own ingredients, and so lady should be without it as a toilet, particularly during the Summer season, when we are more liable to be tanned and sun-burnt than in any other. Purchase a bottle and try it. Manufactured and for sale, by J. H. HALDEMAN.
