Educated Flephants, Whose unequalled feats have been the wonder and delight of thousands upon thousands in the Paris, London, New York and Philadelphan Theatres. They exhibit the Most Astonshing Displays of Animal Training and Institute ever benefit. They have been taught to ascend an inclined plank, only nine inches in width, a distance of 30 yards, where one of them will BALANCE HIV-SELF ON HIS IIIAD, upon a predestal not over a foot in diameter. They will also perform a great variety of Fents of Posturing, Gyimus-hes, Dancing, Waltzing, Marching, &c., such as have never been attempted in America, and have been the Wonder and Amazement of the world for the last two years. These perfectly and surprisingly trained Elephants, both of whom are quite young, were brought out this country in March last, by Mr. R. SANDS, personally, who purchased them at an almost incredible cost—bidding over the greatest wild beast proprietor in Europe—while they were performing an engagement at the Port St. Denis, Paris. Their indefatigable trainer, Mons Lagrange, accompanies the Elephants and superintends their performances.

(FOR THE LAUNDRY.) AS established a greater celebrity than no ever been obtained by any other Starch. This has been the result of its marked superiority in quality, and its invariable uniformity.

The public may be assured of the continuance of the high standard now established.

The production is over fiventy Tons daily, and the demand has extended throughout the whole of the United States, and to foreign countries.

Working thus on a very large scale, and under a rigid system, they are able to secure a perfect uniformity in the quality throughout the year. This is the great Desideration in Standard and no other is always wanted by consumers, and this will be supplied to them by the grocers, as soon as their customers have learned which is the best, and ask for resolutions the largest profit can be made.

Mr. Kingsford has been engaged in the manufacture of Starch continuously for the last 27 years, and during the whole of the period, the Starch made under his supervision has been, beyond any question, the best in the market. For the first eventicen years, be had the charge of the works of Win Colgate & Co. at which period he invented the process of the manufacture of Corn Starch.
