Watertown, Mass, May I, 1855.

PROF, O, J. WOOD:—Allow me to intest the virtues and magic powers of your fluit Restorative.—Three modifies since, being exceedingly gray. I purchased and soon commenced to use two houses; and it soon began to tell, in restoring the silver locks to their native color, and the hair which was before dry and harsh, and fulling off, now become soft and glossy, and it ceased failing, the dandriff deappeared, and the scalp lost all the disagreeable telling, so minoying before, and now. I not only look but feel young again. Respectfully, yours, etc.

VEW York, Oct 2, 1855.

New York, Oct 2, 1835.

PROF O. J. WOOD—Dear Sir:—After reading the advertisement in one of the New York Journals, of your celebrated Hair Restorative, I procured a half pint bottle, and was so much pleused with it that I continued its use for two months, and am satisfied it is decidedly the best preparation before the public. It at once removed all the dandriff and unpleusant inching from the scalp, and has restored my hair inaturally, and, I have no doubt, permanetly so.

You have permission to refer to me, all who entertain any doubt of its performing all that is claimed for it.

State of Illinois, Carlisle, June 27, 1955.

I have used Professor O. J. Wood's Hair Restorative, and have admired its wonderful effect. My hair was becoming, as I thought prematurely gay, but by the use of the "Restoretive," it has resumed its original color, and I have no death accounted.

SIDNEY BRUESE, Ex-Senator United States.

From the Washington Star.

Among the many preparations now in use for the resoung, pre-serving and beautifying the hair, there are none that we can recommend with more confidence than Prof. Wood's Hair Restorative, now in general use throughout the States. This preparation possesses the most invigorating qualities, and never talls in producing the most happy results when applied according to directions. We refer our readers to the advertisement for a few of the innumerable estimates which have been sent by parties, who have been sent by parties, who have been sent by parties, who are been benefitted by it, and who teel happy in giving testimony to its wonderful effects produced on them.

CURE OF A MALIGNANT LUMBAR ABSCESS. CURI: OF A MALIGNANT LUMBAR ABSCESS.

Auburn, May 20, 1553.

No man knows the amount of suffering I have endured for several years past. My complaint was first a bad condition of the stomach, which give me the Piles. At the end of a year I had two large gatherings or sorres come out near my groin, covering a space as large as my hand. The, discussed sometimes a pint of matter a day, no one thought I could hive—all the doctors in this county know my case and have given me medicine but mote of them cared me. I then commenced using patent medicines but with no good effect. In January, 155 I tried Bach's American Compound, and two bottles cured me. I am ready to show my sears—and prove to any situated as I was, that their salvation rests with the Compound Signet.

COUNTRY MERCHANTS! THE Apple Harvest of 1897 has arrived, and I THE Apple Harvest of 1857 has arrived, and I so wish to make money, pleuse your customer and save can asseng agents, (who can make one, two and even three header dollars per month from supplying the goods in your town and county which you ought to sell, you can do it by sending ten dollars for sample lox containing six of Pratt's Apple Parers (270, 600 already sold) and Fratt's Apple Sheer. (a ne & article) and one thousand printed circulars to distribute in your town or county. By so doing you will find not trouble in ordering and selling at a very large profit ten twenty or even a hundred dozen machines during the scaron. PRATT'S APPLE PARER was patented in 1853 -

PRATES APPLE PARER was parented in 1833— Having a loose head or kinfe carrier so arranged as to notify adjust it-cit to the inequalities of the surface of apples, or other fruit, the workin, qualities of which have proved so excellent and advantageous to the community, that the manufacturers. Newsrs. Surgent & Foster, have already been called on to supply more than both another mechanic ter, have alreasis been called on to supply more than half a militon machines.

PRATT'S APPLE SLICER, made to accompany the Parer, was patented in 1856. It is a small, nearly constructed machine, and like its companion, the Parer, does most excellent work, cutting, in about five seconds, each apple into twenty-two-qual parts, leaving, without waste, only a small core to be remove. A chi d can reasily work either Parer or Sieer at a speed of about three businels per hour.

Retail Price of Each 31.50. All orders by mail or otherwise should, to meet prompt attention, be addressed to E. L. PRATT.

PURE OSWEGO STARCH,

(FOR THE LAUNDRY.)

HAS established a greater celebrity than has ever been obtained by any other starch.

This has been the result of ma marked superiodity in quality, and its invariable uniformulty.

The public may be assured of the continuance of the link standard now established.

The production is over Twenty Tons daily, and the demand has extended throughout the whole of the United States, and to foreign countries.

Working thus on a very large scale and under a rigid system, they are able to secure a perfect uniformity in the quality throughout the year. This is the great Deside nature in Starch making, and is realized to them by the grocers, as soon as their customic always wanted by consumers, and this will be supplied to them by the grocers, as soon as their customic is always wanted by consumers, and this will be supplied to them by the grocers, as soon as their custom of starch continuously for the last 27 years, and during the whole of the period, the Starch made under the whole of the period, the Starch made under the whole of the period, the Starch made under the whole of the period, the Starch made under the whole of the period, the Starch made under the whole of the period, the Starch made under the market.
