Something for the Million. Prof. WOOD'S HAIR RESTORATIVE.

WE call the attention of all, old and young, to this wonderful preparation, which **W** E call the attention of all, old and young, to this wonderful preparation, which he head of the build with a fuxurant growth—re-moves the dandraff, thehing, and all culmeous erup-ions—causes a continual flow of the natural fluids; and hence, if used as a regular dressing for the hair, will preserve us color, and keep it from failing, to extreme old age, in all its natural henny. We call, then, upon the build, the gray, or discussed in scalp, to use it; and sturity, the young will not, as they value the flowing locks, or the witching curt, ever be with-out it. Its praise is upon the longue of thousands. Watertown, Mass., May 1, 1555. **PROF. 0. J. WOOD:**—Allow me to attest the vir-tues and magic powers of your Hair Restorative.— Three months since, being exceedingly gray. I pur-chused and soon commenced to use, two builtes; and it soon began to tell, in restoring the silver locks to their native color, and the hair which was before dry and harsh, and fulling off, now became soit and glossy, and it ceased failing; it de dandroff disappenred, and the scalp lost all the disagreenble itching, so an-noying before, and now, I not only look but feel young again. Respectfully, yours, etc. DHAS. WHITINEY.

T. KINGSFORD & SON'S PURE OSWEGO STARCH,

(FOR THE LAUNDRY.)

PURE OSWEGO STARCH, (FOR THE LAUNDRY.) HAS cstablished a greater celebrity than mas ever been obtained by any other Starch. This has been the result of its marked superiority in quality, and its invariable uniformly. The public may be assured of the continuance of the high stundard now established. The production is over Twenty Tons daily, and the demand has extended throughout the whole of the United States, and to foreign countires. Working thus on a very large scale, and under a rigid system, they are able to secure a perfect uni-formity in the quality throughout the year. This is the great Desideratum in Starch-making, and is real-ized now for the first time. The very best Starch that can be made, and no other is always wanted by consumers, and their euscom-ers have learned which is the best, and ask for it-otherwise they would be hkely to get that article on which the largest profit can be made. Mr. Kingsford has been engaged in the manufacture of Starch continuou-ly for the last 27 years, and during of Starch continuou-ly for the last 27 years, and during of Starch continuous so the Starch made under bis supervision has been, by ond any question, the bis supervision has been, by ond any question, the bis supervision has been starch made under bis supervision the works of Win Colgate & Co. at which period he inventid the process of the manu-facture of Corn Starch.
