P. V. R. Coventry & Co.:—Gents—My daughter's affliction with alcerned throat and stomach, palpitation of the heart, and nervous debinity, in fact a complete derangement of the system, rendered her case almost hopeless, indeed, I have tried every syrup, balsam, and nostrom prescribed, with no avail, until afriend learned her case and sent her some of your 'Blach's American Compound' by her brother. 'He was very confident that it would cure her. She very reductantly tried it for a few days, but thinking it made her worse, because her stomach and throat somarted so, she said she would not take it for it hurt her, and laid a niside with her other medicines, until her friend (who knew of similar cases cured with the Compound) wrote her saying if she would follow directions strictly for one month, and it did not cure her he would forteit a small farm. Well, she said she would give it a fair trial, for she was sure of the farm. Well, she wall she would give it a fair trial, for she was sure of the farm. Well, she wall she must give up the farm, for her throat and stomach had got well. For the pathitation left her, in fact she was well. For the past three months she has continued to gain strength, and has not enjoyed better health in eight years.

You may make what use you please of this for the benefit of like complaints. I have since seen the good effects of this Compound in other cases, and I truly think too much cannot be said in its praise for all nervous and scrofula diseases. Yours, with respect, Mrs. Parish will be happy to answer any comminication about her daughter's case.
