The attempt made by other parties to bolster up the reputation of a Safe which has failed so signaily in accidental fires in Philadelphia. (Raisseed Place) by taking one out of an agent's store, (H.A. Laintz,) made double thickness, (afferent from those they sell) to "bourn up" one of Herring's, (lail as thick) has met with its true reward. Herring's safe could not be burnt, proving conclosively that the only reliable Sale now made is "Herring's," of which over 15 000 are now in actual use, and more than 200 have been tried by fire

ictual use, and more than 290 have been tried by his ST. LAWRENCE HOTEL. 288 Chesnut street, Philadelphia.
