PEOPLE'S BOOK STORE.

THE OLDEST STAND. NEWEST STOCK.

J. J. SPENCER. W. M. WESTHAEFFER.

HAVING just received their Fall Stock of Books, Stationery, &c., are now prepared to hold out inducements to the public, such as have never been offered in the history of Lancaster Book Stores.

The liberal encouragement extended by the public, since we are in business, has spurred us to renewed energy. To sell books as low as the lowest, and as good as the best is now our aim. In consequence of the stringency in the Money Market, and the extraordinary low prices at which Books, Stationery, &c., sold at the late Trade Sales in Philadelphia and New York, Teachers of Public Schools will find it greatly to their advantage to call on us before selecting their books, &c.

We would here distinctly say that we employ no Country Agents, preferring to remain at home, and giving the purchaser the benefit of any expense which would thereby occur by selling our Book, &c., at a lower figure.

We have all the school books now in use in the County of Lancaster, all of which, we are prepared to sell wholesale or retail, making the most liberal deduction to teachers.

Our Stock of Miscellaneous Books, is unusually large this season, and one lower in price than heretofore. The Reading Public will please bear this fact in mind, when they select their books for the winter We have also on the best

MAGAZINES AND NEWSPAPERS

of the country, both English and German, which will be mailed to any parts of the United States.

In our stock of Foolscap Letter, Note, and all other papers, we beg to call especial attention to our paper of superior quality, ruled and unruled.

We have the most varied assortment of Gold Pens for Ladies and Gentlemen, and take great pleasure in making the public acquainted with Our Own Pen the "Sterlingian," and only ask an impartial trial of it, by those who are to judge of the qualities of an A No 1 Gold Pen. Those having favored us with their patronage, will find their work done with skill and dispatch, and on reasonable terms. Personal attention will in all cases be given. He furnishes, and plants out if required, all kinds of Nursery Stock, viz:

Fruit, Shade, and Ornamental Trees,

Flowering Shrubs, &c. 2000 of the choicest constant blooming Roses, of the most hardy kinds, for sale; also, Grape Vines, of the most approved sorts. He invites a call to his green house where a choice selection of well-grown Flowering Plants may be seen and purchased, of

JOSEPH YEWDALL,

Gardener and Florist, Cherry street, Columbia, Pa.

April 25, 1857.

OUR STOCK OF FANCY GOODS,

such as Pocket-mountains, Purses, Card Cases &c. &c., is as usual rich and extensive, and we invite the especial attention of the ladies to the same. We have also a very large stock of Albums, Pocket-Books, Writing Desks, &c. We keep constantly on hand a great variety of Moulding for Picture Frames, and are prepared to frame pictures of any size at the shortest notice and a very low price. Our receipts of goods by Express are almost daily, so that we are enabled to supply anything not on hand, when ordered, in a short and very short time. In connection we take pleasure in returning our thanks for the liberal patronage extended to us during the past year, and respectfully ask a continuance of the same, with the assurance that no effort will be wanting on our part, to give general satisfaction and preserve for our establishment the name of the "People's Book Store."

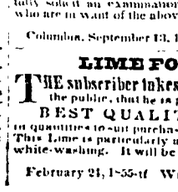
EVANS & WATSON,



PHILADELPHIA Manufactured SALAMANDER SAFES No 26 S. Fourth street, Philad.

Truth is mighty and must prevail.

Report of the Committee appointed to superintend the burning of the Iron Safes, at Reading, February 27, 1857.

READING, March 1.

The undersigned, members of the committee, do respectively report, that we saw the two Safes originally agreed upon by Farrel & Herring, and Evans & Watson, placed side by side in a furnace viz: The Safe in use by the Paymaster of the Philadelphia and Reading Railroad Company, in his office at Reading manufactured by Farrel & Herring, and the Safe in use by H A Lantz, in his store, manufactured by Evans & Watson, and put in books precisely alike.

The fire was started at 5½ o'clock A. M., and kept up until four cords of green hickory, two cords dry oak and half chestnut top wood were entirely consumed, the whole under the superintendence of the subscribers, members of the committee. The Safes were then cooled off with water, after which they were opened and the books and papers taken out by the committee and sent to H. A. Lantz's store for further examination, after they were first examined and marked by the Committee. The books and papers taken from the Safe manufactured by Evans and Watson were but slightly affected by the intense heat while those taken from the Safe manufactured by Farrels and Herring were in our judgment damaged fully fifteen per cent. more than those taken from Evans & Watson's Safe.

We believe the above to have been a fair and impartial trial of the respective qualities of both safes.

JACOB H DYSHER,
DANIEL S HUNTER,

Having been absent during the burning, we fully concede with the above statement of the condition of the papers and books taken out of the respective Safes.
