-"And is there nothing yet unsaid Before the change appears? Remember, all their gifts have fled With those dissolving years!"

Why, yes, for memory would recall My fond paternal joys; I could not bear to leave them all: I'll take-my-girl-and-boys!

The smiling angel dropped his pen,-Why this will never do;

And so I laughed,-my laughter woke The household with its noise,-

Noetry.

The Old Man Dreams.

BT OLIVER WENDELL HOLMES.

Off with the wrinkled spoils of age!

Away with learning's crown! Tear out life's wisdom-written page,

One moment let my life-blood stream

-My hstening angel heard the prayer,

From boyhood's fount of flame! Give me one giddy, reeling dream

Of life all love and fame!

And calmly smiling, said,

"If I but touch thy silvered hair.

Thy hasty wish hath sped.

"But is there nothing in thy track

While the swift seasons harry back

To bid thee fondly stay,

To find the wished for day?

-Ab, truest soul of womankind!

Without thee, what were life? One bliss I cannot leave behind:

I'll take-my-precious-wife!

-The angel took a sapphire pen

And wrote in rambow dew, "The man would be a boy again, And be a husband too!"

And dash its trophies down!

And wrote my dream when morning broke, To please the gray-haired boys. [Atlantic Monthly.

#### Love's Seasons and Reasons. BY DR. MACKAY.

I love my love in spring time, For beauty fresh as Muy, For cheeks like early roses, For eyes as bright as day, For breath like balm of lilies, For smiles like sunrise clear; I love my love in spring time, And love her all the year.

I love my love in summer. For promise warm and true, For trath like noonday throwing A light on old and new; For wealth of bloom and freshness, And shady comfort near, I love my love in summer

And love her all the year. I love my love in autumn. For fruit of gentle deeds, For wisdom to be garnered To serve our fature needs;

For virtues ripening ever, Like harvests full in ear, I love my love in autumn And love her all the year

I love my love in winter, For charities untold, For warmth of household welcome, For looks that thaw the cold;

For harmless mirth and pastime, And rich as christmas cheer;

third-its commencement, its fierce chill, its dead cold, compared with which ice were 'The boy is alive, Doctor!' exclaimed my a pleasing warmth-its dread, slow march, father. I remember, but nothing more. In the midst of it, I lost all sense of life and its ply-this devil of a doctor. At times I feel pains. The great gates of the valley of I nust hate him, this doctor who had college death rolled on their ponderous hinges and warrant on parchment to murder and bury shut me in. I do not recollect the circumstances of

dim, dark centuries they were to me. The

funeral and interment. In fact, I do not 'Feel beneath his arm.' deem that I was buried. The weight I felt | The Doctor put his hand, his faithless. above me I knew was no mere ten feet of cold, skilless hand, beneath my arm. earth, in a quiet nook, with daisies springing The little life there was in me recoiled from it. The mountains were resting on me. I realized their weight. Straight up to the gave no response to his murderous touch. light-if light existed-as under the centre of the central mountains I lay, it was many miles through solid rock. I was not imbedded in the rock, like a cold toad, caught in

during the formative era of the geologists It lay upon me. I felt all its weight .--Sense had gone, but consciousness was with artery long and no throb responded. The me. Forty millions of millions of tons little rill of life was too faint and weak to weight was upon me. Oh, how I suffocated flow. and smothered! But, dead as I was, consciousness cruelly clung to me. I had died it I could feel his hope die away. He with--why could I not cease to be! Time had drew it at last, and he gazed on the face of beneath that weight, centuries might have and turned away as one who bade fareflown above my head.

passed away; there was no day, no night. his dead son. He looked long. He was a But if mortal measure could indicate the kind, good father. I know where the grass period I lay alone, and dark, and suffocate, grows above his grave. He gazed long;

have been an alleviation. But it did its pair.

work without sound, without remorse, like

I have said there was no measure of time

to tell how long this measureless weight

pressed me down! There came a relief .--

A sense of hearing came to me, or, the in-

ternal fires of earth had rolled nearer to me.

I heard their voice, distant as yet, like the

wind in the leaves of ten thousand forests-

like the surge of a thousand unseen oceans.

I felt its heat. But it was far away. A

new sense of suffocation came upon me .---

This suffocating force now surrounded me,

suffocation within was like some vast ex-

the Titans breathing as they fed the fires.

This state lasted-who shall say how long?

Then came-was it true?-could I believe

it?-a dim sense of sight. I saw, dimly and

afar, the forms of those giants who fed the

central fires of the planet. They moved si-

lent and grim, watching their work; and

when a rill of molten rock glided apart from

the mass, they staid it with their ponderous

feet, and scooped it back to its place with

measures, a gallon of the red fluid flowed .- my arm pit. Now I felt it meet the artery; I did not mend that day; at least, I suppose I myself felt, in sympathy with him, the

I did not for on the next day he cut my left throb. I had come back to life. Death arm and took thence a like measure-the was over.

Though it was no dream, this awakening crimson measure of half a life. I was a -though I knew it to be real, yet for hours dead man then. But a shudder or two always must come before the conscious soul I held but a state of semi-censciousness.lets go its hold upon the frame. With me But I knew that death was over; I knew I lived

the shudders were in the shape of cold I recognized the various members of my sweats. There were three of them. By the family in my room. I heard my father's clock-so some one at my bedside whispered voice, subdued but joyful. proclaiming his first wife has been a good one, never marry -the chill and sweat lasted six hours. Six unwavoring faith during all, that I was alive. again.

the that it was rising. Into the chinks that it made as it rose, pressed, hot and fierce, sparse of sulphur from the firse. with the prejudices of the time, would have sapors of sulphur from the fires. These enreloped me more closely than even the dissuaded me from sueing him at the law. Courts and the faculty, in those days, bemountains weight. I prayed that the mounlieved in blood, and the latter took it when tain would again shut down and press them they would. out. Its blank, dead suffocation, with all

Do not deem, reader, that forgoing is any its eternal weight, was better. tale of the imagination. It is a story of the But the vapors thinned as the mountain baldest fact. I live in New Jersey, between slightly, almost imperceptibly, lifted. Great Plainfield and Westfield, in Union, (former-God! I felt the touch of a human fingerly Essex,) county. My name I am free to a live finger. It lay beneath my arm, in the arm pit. I felt it plainly-the artery throb- impart-it is John R. Miller. Thirty four bed against it. Was there life?-was it life? | years have passed, but the memory of every No, no. The touch died away. I had no hue and circumstance of those dread ages of arteries, no human sensation. It was a death is distinct and vivid still. For often, dream of the sleep of death. I awoke from even now, a thoughtless movement of either it-awoke to eternal death, the mountain's crippled limb brings their terrors boldly weight, and not fiery vapors. Unyielding, back, and once again-thank God, it is but for a moment-I lie sufficated beneath the they pressed me still within and without. mountain's remorseless breast. Again-was it again a dread dream?---

had a sense of light, veiled and clouded BATARD TAYLOR .- This distinguished poet light, as through a sleeper's unopened lids. and traveler was, by last accounts, with his The light, dim as it was, was steady and bride at Gotha. He writes to the editor of the Home Journal that he has just returned from a bridal tour to London, and was domiciled for the present at the observatory, which is the residence of his father-in-law. the Professor of Astronomy at Gotha. His intention is to pass the coming Winter in

Greece, and the following Summer in Russia-hoping to return to America in the Autumn of 1858. He says .--- "Dana sent me a brief account of your symposium, (alluding to a supper which some of his New York friends had in honor of his nuptials.) on the bridal eve. I wish I could have divided myself, so as to be there and here at the same time. You were all remembered, how-

ever, among the wedding pledges given at the dinner. It was a happy thought to me that the day was celebrated at the same time in St. Petersburgh, at Dresden, (by some German authors,) by you in New York, and by my own family in Pennsylvania and Michigan. For a cosmopolitan like able and welcome."

165-"Shame, shame!" cried a bumpkin orator at a parish meeting in the country, "our clergyman pays no rate." "Yes he does," rejoined a wag. "What rate does he pay?" inquired theother. "Why, the cu-rate."

Lightning never strikes but once in the same place; therefore, let the man whose
