PROFESSOR O. J. WOOD'S HAIR RESTORATIVE. TOR producing hair on Bald Heads, and This assonishing and unequalled preparation has never failed to produce a growth on Bald Heads, when used according to the direction, and turn ban back to its original color, after having become gray, and remistate it in all its original health, lastic, soft ness and beauty. Remove, at once all searth diadroils and unpleasant techniq, ecolula, cruptions and feverish healt from the scalp. It also precents the bar from becoming unleading and falling off, and hence acts as a perfect Hair Invigorator and Tonic.

A gentleman of Boston writes to his friend in New A genticman of no-ton writes to his friend in New Bedfood thus:

To your raquiries, I would reply, that when I first commenced using Professor Wood's Hair Restorative my hair was almost white, and had been so for my head, and very loose, and pulled out freely; but I found that before I had need all the second bodie, (which was eight weeks) my hair was connely changed to its original color, light brown, and is now liver from dandrial and quite moist. I have had my hair cut five or six times since the change, and have root; and it is now as thick has starting from the root; and it is now as thick as it ever was, and does not come out at all. It has proved in my case all that I could wish to ask.

Yours, etc.—

From the Boston Herald, Something Worth Knowing—By using Professor Wood's Hair Restorative, gray hair cam be permanently restored to us original color. The subjoined certificate from Johnson & Stone, Gardiner, Maine, is but one of the many instances that are duty coming to our knowledge, of its wonderful effects. It is no longer profilemental, but a self-evident troth, as hundreds in our community can testify.

Gardiner, Maine, June 22, 1-55 Guidner, Maine, June 22, 1855
DEAR Sir: I have used two bottles of Professor Wood's Hair Restorative, and can truly say it is the greatest discovery of the age for restoring and changing the hair. Before using it, I was a man of sevenity My hair has now attained its original color. You can recommend at to the world without the least tear, as my case was one of the world without the least tear. WOOD'S HAIR DYE—This admirable urnele is rapidly improving the hair. No article of a similar kind, now before the public enjoys a better reputation as a restorative and invigorating hair tonic. In peachiar thermical qualities have a bein-ficial effect upon the growth and character of the hair, giving a silky and glossy texture to that which was formerly of a tendency to preserve the youthful color and apparance of the hair, and destroying a courted to the hair, and destroying or counteracting the effects of age. With such recommendations in is favor, we hardly perceive how any hady or genitient in the first professor of the without so valuable un adjunct to their toilet.

CURIL OF A MALIGNANT LI MBAR A BSCUSS.

No man knows the amount of soffering I have endured one several yeas; past. My complaint was next a bad conduction of the stometh which give me the Piles. At the end of a year I had two darge gatherings of sore come outnear my grom, covering a space as targe as my head. They discharged sometimes a part of matter a day into one thought I could live—all the doctors in this county know my ears and have given me medicing but none of them cured me. I then commenced using patient medicines but with a good effect. In January, 1855 I trued Back's American Compound, and two bottles cined me. I am ready to show my sears—and prove to any smatted as I was, that their salvation rests with the Compound. Signed.
