PHILADELPHIA Manufac-Report of the Committee ap-pointed to apperintend the burning of the from Sufes, at Reading, February 27, 1857.

Reading, February 27, 1857.

Reading, February 27, 1857.

The undersigned, members of the committee, do respectfully report, that We says the two Safes Yorighmily agreed upon by Farrei & Herring, and Evans & Watson, placed side by side in a furnace, viz: The Safe in use by the Paymaster of the Philadelphin and Reading Raifrond Company, in his office at Rending, manufactured by Farreis & Herring, and the Safe in use by H. A. Lantz, in his sore, manufactured by Farreis & Jerring, and the Safe in use by H. A. Lantz, in his sore, manufactured by Farreis & Parreis & Parreis

Reading, manufactured by Farrels & Herring, and the Safe in use by H. A. Lantz, in his store, manufactured by Evans & Waison, and put in books precisely alther.

The fire was strited at \$1 o'clock A. M., and kept up unit four cords of green hickory, two cords dryonk and halt chestnat top wood were entirely consumed, the whole under the superintendence of the subscribers, members of the committee. The Surewers then cooled off with water, after which they were then cooled off with water, after which they were opened, and the books and papers taken out by the committee and sent to H. A. Lantz's store to public examination, after they were first examined and in ched by the Committee. The books and papers taken from the Safe manufactured by Evans and Witson were but slightly affected by the intense heat while those taken from the Safe manufactured by Evans and Witson were but slightly affected by the intense heat home taken from the Safe manufactured by Farrels and Herring were in our judgment dumined fully briven per cent, more than those taken from Evans A. Watson's Safe.

We betteve the above to have been in fair and on partial final of the respective qualities of both safes and the papers and books taken out of the respective full the condition of the popers and books taken out of the respective and safes.
