In seventeen hundred and ninety-three, a fearful pestilence broke out in the city of Philadelphia. The yellow fever left whole streets tenantiess; the hearse was the vehicle most frequently seen in the streets; those who wore the badge of mourning on their arms, were avoided even by their friends and the fumes of tobaccoand camphor filled every house in the city. While the pestilence was at its height, a square repulsive ed hospitals, and bore out in his arms a vieman boldly entered one of the most crowdtim in the last suffcon-colored stage of the must throw up our hat and declare ourself dsiease. For days and weeks, this man conattending upon the sick and dying, discharg-lumbia nominee, and we predict for him a ing the most painful and dangerous duties of the lowest servant in the place. This he is held by his fellow leitizens. As a repulsive-looking Samaritan was Stephen Girard, with his strong will, his bodily energy, his stout heart, and his one eye .--The hard, griping traler was not so selfish after all. When all the paid attendants, all the visitors of the poor were either dead, dving, or had fied; when no offers of money would purchase that labor which was reouted for the re-organization of the pest-Is use hospital at Bush Hill: two men nobly columeeted for the forlern task-Stephen Guard and Peter Helm. On the afternoon of the same day on which he offered his services, Stephen Girard, a foreigner with task with all the perseverance and decision ta ion will be more than sustained. of his character. He soon established order ; and cleanlines .: provided accommodations, and procured supplies: and for sixty days Saturday evening the delegate election of voked law in reply to lead. This is the continued to discharge his duties at the hos- the People's party was held at the Town substance of Smith's sworn statement. pital.

In eighteen hundred and twelve, Stephen Girard, the one-eye cabin boy of Bordeaux, the field, one party favoring C. S. Kauffman set off to her character as depicted by the dat's all a lie! You can't fool him. No was not renewed,) and started the Girard Bank: a large private establishment, which not only conferred advantages upon the com- spirited, and voters were drummed up from munity greater than the State institution upon which it was founded, but, while the public credit was shaken, and the Govern. The South Ward window was of course the ment finances were exhausted by war, the Girard Baek could command large subscriptions of loans, and put itself, in the position man lost his vote for want of a ticket, a of the principal creditor of the country. In plentiful supply of which we, with our righteen hundred and fourteen Girard sub- usual foresight, had furnished. The best humor reigned, and the contestants smiled scribed the whole of a large Government lonn from patriotic motives, and in eighteen upon each other when they met. An unhundred and seventeen, he contributed, by Ward, and Col. Green's delegates, J. W. Fisher, H. H. Fry, and C. J. Pusey, were to bring about the resumption of specie payments. In eighteen hundred and thirty-one his operations were so extensive, is at when the country was placed in extreme embarrassment from the scarcity of money, by reason of the balance of trade beingagainst it, he was enabled, by a single transaction with an eminent English firm, to turn the drawn from the river track up the heavy exchanges, and cause specie to flow into the grade to the main track of the Penna. HAMMONTON LANDS.

FROM A WELL-KNOWN AND HIGHLY RESPECTABLE PHYSICIAN IN CAN-ADA WEST. Prescoit, C W., Nov. 29, 1855. Dent Sit: It affords me plensure in complying with your request, m giving an expression of my opinion of the virtues of the Oxygenated Bitters. It is now nearly two years since 1 recommended its use to some of my patients, in a virtuely of Chronic Dis-eases and with the most happy effects. It has proved very useful in Dyspepsia, Nervous Hendache, derangement of the Stomach, and General Debility. Therefore let all those who are afflicted with the above diseases, try the Oxygenated Bitters, and their success is certain. I am. Sir, yours truly, IR, W. EVANS, M. D., & Druggirt, AGENTS - MeCORKLE & DELLETT, Coumbing JOSIUA LEADER, MOUNT JOY. August 25, 15-5. NEW ENGLAND SETTLEMENT. NEW ENGLAND SETTLEMENT. BARE OPPORTUNITY....TO ALL WANTING FARMS-in a healthy place, twenty-fore miles from Philadelphia, on the Camden and Atlantic Bail-road. New Jersey. An old estate has recently been opened for sate, and the first division of 10,000 acress divided up into farms of twenty acress and upwards. The soil is of the best quality for the productions of funts, grans, &c. The price is from \$15 to \$20 per acre, payable in easy quarter the tapd timptone-ment of four years with interest. The terms are made easy in order to insure the tapd timprove-ment of the land, by enabling every industrious man to buy a form. It is now being extensively improved

THE GREATEST HORSE MARKET.—Cincunnati is now the largest horse market in the United States, and dur-ing one week, list-fy, fory thousand doilars' worth of horses were sold at the various stables. Philadelphin is the greatest clothing market, and the greatest establish-ment in it is the Brown Stone Clothing Hall of Rock-hill & Wilson, Nos. 663 and 665 Chestinat street, above Synth within a term of four years with interest. The terms are made easy in order to mark the rule of improve-ment of the land, by enabling every indistrious man to buy a farm. It is now being extensively improved in good routs, and some of the best clitzens from New England and the Middle States are errecting large improvements. It is a scene of the greatest improve-ment out of Philadelphin. Seventy-five houses have been built in four manths. Practical farmers and busi-ness men from the length and breach of the Broad are setting there. It is an important business place, on account of its being in the inid-tof a great market. Every article raised upon this land finds on immedi-nie setting there. It is an important business place, on account of its being in the inid-tof a great market. Every article raised upon this land finds on immedi-nie sale. The water is excellent, and no such thing as tever is known. The soil is a saudy or clay loam, with a clay bottom ind riteriter of manuers. It is for one and easily worked. It abounds largely in the plasphates, and such is is ferrifity that from the craps produced both upon this farifity that from the craps produced both upon this land and the large area adjoining under cul-tivation, it will be found and to be excelled anywhere, in the production of craps most adapted to its imarket. The reader may be well aware tant the carliest and the best fruits and vegetables come from New Jersey, which are annually exported to the amount of millions of dollars. The land, breades being accessible in every way for fertilizers, has an abundant supply of the best quality of muck manuer. Lumber rud building materials can be had on the spot at a cheap prece, from the mills. Other mills are now bring opened, and brick yards being started ea, the ground. A person can put up a frame tweater for the cartenance, for one hundred dollars (In account of the extensive emgrenion, thes is the test for the subma of dwords rude of the great enties in the Middle States and New England; he is marking
