HAMMONTON LANDS. NEW ENGLAND SETTLEMENT

NEW ENGLAND SETTLEMENT.

RARE OPPORTUNITY...-TO ALL WANTING FARMS—in a heading place, twenty have miles from Philadelphia, on the Camden and Atlantic Rulivoad. New Jersey. An old e-inte has recently been opened for sale, and the first division of 10,000 acres divided up into terms of twenty needs and upwards. The soil is of the best quality for the production of feutis, grains &c. The price is from \$15 to \$20 per acre, payable in easy quarter yourly instalments within a term of fourly-cars with interest. The terms are made easy in order to misure the rapid improvement of the land, by conding every industrious man to buy a farum. It is now being extensively improved by good roads, and some of the best cruzens from New England and the Middle States are circuitag larging-invenients. It is a scene of the greatest improvements of Philadelphia. Secuncification from the length and breadth of the Union are setting there. It is an important business place, on account of its being in the indist of a great market. Every article taised upon this land finds an immediate sile. The water is excellent, and no such thing as tever is known.

I the best quality of muck manner.

Lumber and building materials can be had on the spot as a cheap prece, from the mills. Other mills are now being opened, and brick yards being started on the ground. A person can put up a finuse tenement for present convenience, for one builded dollars. On account of the extensive emigration, this is the best course to pursue in order to get a place to live in a first. Carpenters and builders are on hand to put up houses on the best terms.

Sixth street, and once improvements in the reference of A certain lot or piece of ground situate in the said belongh of Columbia, on the mill nord heart he sub-duced on the nutl nord heart he sub-duced on the nutl nord heart he sub-duced on the nutl nord heart heart heart heart he had been a least of the said belongh of Columbia, on the mill nord heart hear

course to pursue in order to get a place to live in in first. Carpenters and builders me on hand to put up houses on the best terms.

In settling here the emigrant has many advantages. He is within a few hour's ride of the great eites in the Middle States and New England, he is mert his old friends and associations; he is in a settled country, where every improvement and comfast of evilization is at land; he is in a headily place, and is not subject to the certainty of losing the greater part of his family and his own health by those malignant fevers which make the goives of so many millions of the young and hardy in far off regions away from home and triends. Besides, he has a mid climate and open winter.

There are three trains daily to Philadelphia and to all shose who improve the railroad company gives a free ticket.

The reader will not once be struck with the advantages here presented, and ask himself why the property was not taken up before. The reason is, if was never thrown in the market; and unless these statements were correct no one would be invited to expected to do. They will see the land under cultivation; they will next persons should come prepared to purchase, as many and can judge of the character of the population—Persons should come prepared to purchase, as many are locating, and locations are not held on refusal. The Hammonton Farner, a monthly Literary and Agricultural sheet, containing tall information of Himmonton, will be sent to each inquirer, and can be obtained at 25 cts, per annum.

Title indisputable. Warrantee deeds given, clear of all incumbrance, when purchase money is paid. Route to the land:—Leave Vine street wharf, Philadelphia, for Illammonton thereing any prince at 37 A. M., and 54 P. M.; when there inquire for Mr. Byrnes. Boarding conveniences will be found. Letters and applications can be addressed to S. B. COUGHLIN, 202 South Fifth street, below Walnut, Philadelphia.—Maps and information cheerfully furnished.

WHY SUFFER WITH PILES. Finley's Vegetable Pile Ointment. THIS medicine, a remedy for the Piles, as its name implies, has never before been offered to the public. It is not intended as a cure all, but for that one disease it is the best remedy now known or that has ever before been brought before the public

RETAIL PRICE, \$1,00 PER BOX.

A liberal descount to the trade.

Does Disease Originate in Impurity of the Blood? THIS is a question of vital importance,

and one which has never been sanisfactority hoposed of by the professors who teach the healing of Some maintain-and especially the old school allysicians—that ble lives in the blood, and therefore all the shearse originate in it—but modern science averation allients have their origination in both the solid and fluids of the body. That the factor preponderate, however, is a fixed fact, and medical skill has crearly demonstrated that a teast two-bloods of the file that human flesh is here to have their someers in an IMPURE STATE OF THE BLOOD!

AMPURE STATE OF THE BLOOD!
As, for instance, in the long catalogue, such as Serofina, Tetter, "Barber's beh." Pumples, Binchess, Bryspelbs, Ulcers, Sait Bluenn, discharges from the Ear, Fever Soies, or erapive disease of any kind—These are assertained by well known medical laws to arise from had blood—while the highest medical authorities declare that most fever- originate in the same manner, and more particularly typhoid and scarlet—the former being an internal, and the latter an external cruptive disease; and in all persons attacked by these maladies the blood is found to be either coughtied, or of a dark unhealthy color.

To ward off a large majority of diseases, as well as to cure a number which have already seized upon the system. (15) persons are presented to the system. (15) persons are presented to the system.

the system, this news sure in the system that have already serized upon the system, this news sure in PURIFY THE BLOOD.

Lindsey's improved Blood Scarcher does not claim to be a UNIVIRS-AL PANACIVA for every disease known, but the proprietors claim for it the power not only of draming out all impaintes of the blood, but by the skillful conbination of well known vegetable temedies, it will cure all diseases arising from a deranged sinie of the liver, drive out by spepsin, and give remewed tone and visor to the stumach. That the Blood Scarcher is all that is channed for it, the proprietor can produce THE PROOF.

It is only a few years since it was discovered, and yet it has grown into such a business that a large lamber of mea employed a putting it up, and stift the SUPPLY DOIS NOT EQUAL THE DEMAND.

We ask any candid man, cou'd this be so, if the Matherica did not process all the victors a found in the victors and of the section of the surface of the course of the victors and the state of the process of the victors and the section of the victors and the course of the victors and the section of the victors and the section of the section of the section of the section of the victors and the section of the DEMAND:
We ask any candid man, could this be so, if the Medicine did not posses, all the virtues claimed The proprietors have bundreds of certificates from men or probit) and standag in the community, slowing what the medicine is doing daily for the suffering Ask any person who has ever used the Blood Searcher whether tehe was experienced. THE LIVER INVIGORATOR!

COMPOUNDED ENTIRELY FROM GUMS

Is one of the best purgative and liver medite, caster, unider, and more efficial than any other medites known. It is not only a catharite, but a liver remedy, acting first on the liver to eject its morted matter then on the stomach and howels, to carry off that metter, thus accomplishing two purposes effectually, without any of the paintal redlings experimenced in the operations of most catharites. It strengthens the system at the same time that (purges), and when taken duly in moderate doses will strengthen and half it in my the name that a tapidity.

The laver is one of the propersions, when the stomach are fine at fault, and the collections, when the stomach are fine and the proper personal to do us duty when a treatment of its fine-tions, when the stomach and the consequence of one of casted to do us duty when a treatment of its fine-tions will be properly the many decompenents.

To prove that this and the consequence of one of the properly the many decompenents. To prove that this any personational decisions have not been sufficient to be blood, given the relations of the blood, given the relations of the properly into the decisions in table, and the relation of the blood given the relation COMPOUNDED ENTIRELY FROM GUMS

absorbents. We take pleasure in recommending this medicine as a proventive for Tever and Agen. Chill Fever, and all Fevers of a Bilms Type. It operates with certainty, and shousands are willing to testify to its won-leady series. All who use it are giving their unanimous testi none in its favor.

All Mix water in the mouth with the Invigorator, and swallow hold translate.

THE LIVER INVIGORATOR THE LIVER INVIGORATOR
Is a Scientific Medical Discovery, and is daily working cure, almost too great to believe. It cures as fly magic, even the first dose giving benefit, and seldom more than one bottle is required to cure any kind of Liver Compliant, from the World Janobice or Dyspeptin to a common herdache, all of which are the result of a described liver.

Price ONE DOLLAR PER BOTTLE.

PHILOSOPHY AND FACT.

HOLLOWAY, SPILLS.

THE exciting cause of sickness. The blood is the life-ushaming agent. It farmishes the components of flesh, bone, muscle, nerve and integument. The stomach is its in mulactory, the vein is distributors, and the intestines the channel through which the waste matter rejected in its production is expelled. Upon the stomach, the circulation and the lowels, these Pills net simultaneously, reheving indigestion, purifying the flads, and regulating the exercision.

The quantity and quality of the bite are of vital importance to health. Upon the liver, the gland which beceives this third, these Pils operate specificative, infallably recursing its irregularities and effectually curing Jaunalee, Bilious Remainnts, and all the varieties of disease generated by an unnatural

BOWEL COMPLAINTS.

Unless the howests perform their functions properly the whole hold suffers. Tens of thom-ands die annually of Dysentert, Diarthora, Chrome Constipation, and other discases of these waste pipes of the system. The effect of the Pids upon all intestinal obsorders, whether capation repidence, is a phenomenon in medicine. By following the printed directions, the most alarming cases of bowel complaint are promptly controlled A WORD TO FEMALES.

The local delabity and irregularnies which are the special annovances of the weaker sex, and which when ineplected, always shorten his, are relieved for the time being, and prevented for the time to come, by a course of this mid but therough alterative
