The Burning of the Austria.

HALIFAX, Sept. 27 .- The bark Lotus arrived here yesterday with twelve of the United States dragoon on the plains. From that a battle was soon expected to take sixty-seven passengers saved from the steamer it we extract the following: clace between the forces of Vidaurri and Austria, which left Bremen on the 4th inst., diramon. The latter has about 4000 men, and which was burnt at sea on the 13th

A passenger reports that a little after from Chibuahua, will force Miramon to ac. 2 o'clock on the afternoon of the 13th a sovereign contempt. The men are tall, dense volume of smoke burst from the after tal. Upon this battle depends the fate of entrance to the steerage. The speed of the ly good looking, and they are all pretty zine exploded, when the engineers, it is sup-

The fire next burnt through the lights amidships traveling aft with fearful rapidity. Taylor at New York, from Aspinwall, with A beat was let down on the port side, but it the California mails and \$1,600,000 in gold, was instantly crushed. Another boat on we have later news from the Pacific. The the starboard side was swamped from the California State election resulted in the numbers arming into it. All the first cabin success of the Administration domocratic passengers were on the poop excepting a to ket by from 6000 to 10,000 majority, and fewgentlemen who must have been smothered

Many of the second cabin passengers were also on the poop, but a number was shut in a social conversation, during which the red the cabin by the fire. Some were pulled up through the ventilators, but the greater the red skins, we were startled by a sudden number perished in the flames.

The last woman that was drawn up said six were already suffocated. Several men and women on the poop deck jumped into the sea by twos and threes.

Some women were already wrapt in lames. Others hesitated to jump till driven at the last moment by the advance of the enough to do what was fair, we separated flames! In half an hour not a single soul was left on the poop.

The French Bark Maurice, Captain Ernest Renaud, came alongside at 5 o'clock and rescued 40 passengers, who were chiefly match in the prize ring. The fair play taken from the bowsprit, but some were found struggling in the water. At 8 o'clock one of the metallic boats came up with 22 scarce get away from them in time to answer persons, including the first and third officers. our names at errent or roll-call. Subsequently four men were picked up floating on a piece of a broken boat.

officer were severely burnt.

Many of the male passengers are frightfully burnt. Six women only were saved, three of whom are shockingly burnt.

A Norwegian bark went alongside the steamer next morning and sent a boat. She may have picked up a few persons.

The bark Maurice had no communication names of the saved.

The bark Maurice proceeded with the Austria's passengers to Fayal. A passenger by that when the captain

of the Austria heard of the fire he rushed the throne, had gone so far that the leading on deck exclaiming "We are all lost-let fereign ambassadors thought proper to in- down the boats!" which were immediately form the leaders in the evement that the swamped. The captain fell into the sea,

The fire arose from culpable negligence while fumigating the steerage with burning From this day Maki at d Barko renounced that it is difficult to fix the blame where it maintain an unusually strong naval force in tar, under the of the fourth

JEFFERSON HOUSE.

THE subscriber has taken this well-known stand, in Front street, between Locust and Union, and invites me patronage of his friends and the public. His past experience as proprietor of the Frankin House, is sufficient warrant for his capability in this business. He will endeavor to keep his BAR STOCKED WITH GOOD LIQUORS, and to provide satisfactory entertainment for customers. His house is well calculated for the accommodation of regular boarders, and he asks a share of public support.
