Mr U. FINLEY—This is to certify that I have been afflicted with the Piles for ten years, after using your Pile Ointment for a few days, it entirely cured me. I not having had the least sign of a return since. Being 12 years ago. I can recommend it as the remedy for that troublesome disease with which so many persons are affected, and would advise all persons so afflicted to use your Ointment.

C STRAWBRIDGE.
Columbia, August 10, 1858.

U. FINLEY—I have suffered for over four years with the Piles, and have tried different remedies, all to no account; I was finally induced to try a box of your Ointment, and after making several applications, I found it to relieve me, and continued for a short time, when I was perfectly cured. It is now five years since, and I have not had the least sign of a return of the disease. If any person should doubt the truth of this certificate, address me a note and I will give all the information required. I cheerfully recommend the Ointment as an unfailable remedy for the Piles, one box or it may save any one who is affected, all the pain they have to suffer as well as many dollars and cents. To all of which I have thinly subscribe H. G. MINNICH.
