Lumber and burding materials can be had on the
spot at a cheap prese, from the milts. Other milts are
now being opened, and brick y ards being started on
the ground. A person can put up a finine tenement
for present convenience, for one hundred dollars. On
account of the extensive congration, this is the best
course to pursue in order to get a place to live in at
first. Carpeniers and builders are on hand to put up
houses on the best terms.

Does Disease Originate in Impurity of the Blood?

Of the Biocu!

This is a question of vital importance, and one which has never been satisfactorily disposed of by the professors who teach the healing art. Some maintain—and especially the old school physicians—that the lives in the blood, and therefore all discusses originate in it—but modern science avers that athems there their origination in both the solids and fluids of the body. That the fatter preponderate, however, is a fixed race, and medical skill has corarly demonstrated that at least two-thirds of the fills that human flesh is here to, have their sources in an IMPIRE STATE OF THE BLOOD!

demonstrated that at least two-thirds of the 4th that man flesh is her to, have their sources in an IMPURE STATE OF THE BLOOD!

As, for instance, in the long catalogue, such as Serofula, Teiter, "Barber's lich," Pimples, Bint hes, Eryspelas, Ulcers, Saft Rhama, docharges from the Ear, Tever Sores, or eruptive disease of any kind—These are ascertained by well known medical laws to arise from bad blood—while the inchest medical authorities declare that most fevers originate in the same manner, and more particularly typhoid and searlet—the former being an internal, and the latter and external empty we disease, and in all persons interest, the blood is found to be either congulated, or of a dark unhealthy color.
