troduced, with all the requisite forms, to Celinu's parents, rich landed proprietors. In Outober it was agreed that they should be married.

"But," said Frederick, "as I have pur chased my experience dearly of the danger of delay, we will get it over, out of hand at 0000."

"As quickly as the settiquents can be drawn up," answered Felicien,

They were to be married in the country, at a protty rural church, half hidden in a wood, something quite romantic. On the fifteenth of October the engaged

ones presented themselves at the mayor's to have the civil contract registered before going to church. The register addressed the solemn question to Frederick-

"Frederick Dervieuz, do you consent to take to wife Mademoiselle Celina Fleary, broken in the wall on Second street and here present?" "Nul" exclaimed the young man, over-

come by an attack of jealousy. On their way thither he had surprised a matual look of strange intelligence between his bride and Fehreien Dovez, and that circumstance, so unexpected, picroed his heart

and troubled his reason. anded there.

Nevertheless, before the end of the month. saatters were explained, and things made up custom. The improvements are not conagain. The fiteenth of November the young fined to the basement. The house is being ouple returned to the registrar's.
