Books from the Spring Trade Sale at cheap book store.

A RARE opportunity for those in want of Good Books at a small cost.

Never have Books sold cheaper than at the recent Philadelphila Spring Sale.

The proprietor of the Cheap Book Store has availed him-elf of the opportunity to purchase a large stock of the most varied as-ortment of valuable books of every class and description. He now offers to the public the same, at proportionably and unuvally low rates. Those in want of valuable standard works, for the improving of a well-selected library, will find it to their great advantage to call and examine the extensive stock on hand. My object and wish is, as in always was, to supply the wants of the community with anything it my line, on the most reasonable terms possible. This we find the begger and most advantageous course for all parties. The Political Economist tells us "the cheaper an article is, the more universally it can and will be used," Then the conclusion is, that when we buy cheap, we must sell cheap, simply allowing ourselves a reasonable profit.

couclusion is, that when we buy cheap, we must sent cheap, simply sillowing ourselves a reasonable profit. SUNDAY SCHOOL BOOKS.

I would call especial attention to my large assortment of Sanday School Books on hand, of every variety wanted for the use of Sunday Schools; and sell at the Sanday School Union prices. I have the agencies for the publications of the American Sunday School Union, American Tract Society, Methodist Book and Tract Society. Also, the Lutheran. Precshyterian, Episcopal, and other denominations are kept on hend.

Those in want of a next and cheep Quarto Family Bible, will find it to their advantage to end and examine at the Cheap Book Store, the largest stock on hand, ranging from \$1 to \$25.

37 Before purchasing elsewhere, call and examine the large and cheap stock of Morray, Young & Co., North Queen st., Lancaster, Pa.
