Shreiner's Patent Fuel and Heat Economizing Stoves and Heaters.

LANCASTER COUNTY TRIUMPH!

AT the late County Agricultural and Mechanics' Fair, Philip Shreiner's Stove Invention for saving waste heat and fuel, was awarded a Silver Set, valued at $50, for the most novel and useful Lancaster County Invention.

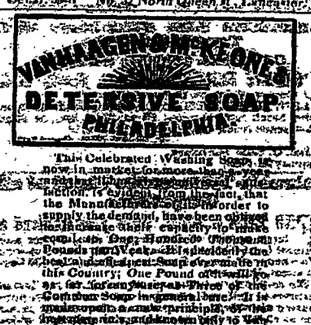
Also, to Shreiner & Young, for best Apparatus for Warming Houses, a Silver Medal. The Jurors also said in their report (there being no premium for this class of Stoves) that Shreiner & Young were entitled to a special notice for their Improved Ornamental Gas Burning Parlor and Hall Stove.

At the State Fair, recently held in Philadelphia, the following awards were made, To Shreiner & Young, for best Hall Stove, First Premium and Diploma; for Portable Heater, Premium and Special Diploma.

The improvements in Stoves and Heaters, always pronounced at the State Fair, by the most scientific men of our country, the greatest improvement ever made in Stoves, is being the only scientific Stove in the world. These Stoves and Heaters allow no waste heat up the flue, and burn the gas better than any burner in the market. We make these statements knowing that we do not exaggerate. To all who will, we ask an interested to call and see the Stoves in operation. These Stoves is all that is needed run no risk, as we guarantee the complete operation and great saving of fuel. Those wanting a cheap furnace, that heats well with small quantity of fuel should call and examine at

SHREINER & YOUNG'S,

Oct. 27, '59-tf No. 32 North Queen st., Lancaster.



This Celebrated Washing Soap is now in more general use than any other Soap in the market, and the demand for it is increasing daily. This is a perfection to which it has arrived, from the fact, that the Manufacturers are in order to supply the demand, have been obliged to erect a large Steam Factory, capable of making Two Hundred Barrels per week. Each Barrel of this Soap contains 700 Pounds, and Two Car Loads is loaded by the Manufacturers, and sent to different parts of the country; One Pound of this Soap will go as far, for washing purposes, as Three of the Common Soaps in general use. It is warranted to be made entirely of Vegetable principles, and contains no injurious ingredients, and can be used in the finest Flannel & Delicate Colors, without injuring them in the least. Directions for using will accompany each Bar. Also, for sale by the Manufacturers,

VANHAAGEN & CHESNEY,

No. 1 South Wharves, Philadelphia.

CAUTION! Beware of Counterfeits! There being several imitations of Detersive Soap in the market, we would caution the public to be particular to see that every Bar has the name of VANHAAGEN & CHESNEY stamped upon it, and that the Soap, as well as the Boxes, is marked

which is entirely free from Opium or Morphine in any form. By assisting the gums in the process of cutting the teeth, it relieves the little sufferer at once. It is perfectly safe in all cases, and for children of any age. It will relieve the child from pain in less than twenty minutes after it is given. It is the only article of the kind that ever gave entire satisfaction, and we have never known it to fail in a single instance, when timely used. Never did we know an instance of dissatisfaction from anyone who used it. On the contrary all are delighted with its operations, and speak in terms of the highest commendation of its magical effects. We have given certificates by the dozen, and could produce hundreds of the most reliable names in this country, but deem it unnecessary, as a trial is all that is necessary to convince the most skeptical of its virtues. We have been engaged in the manufacture of this article for years, and can say in confidence and truth of it, what we have never said of any other medicine—never has failed in a single instance to effect a cure
