BENEVOLENCE.

We do not think a person can evince a more Senevolent trait of character than being moved at the distress and suffering of others, and fur-thermore, anxious to do all in their power to ulleviate by every possible means human suf-fering. In this view of the case, we do not know how the humane and benevolent can do an action more in accordance with their philanthropic views, than by calling the attention of their afflicted friends and acquaintances to the fact, that Dr. Seth S. Hance, of 108 Baltimore street, Baltimore, Md., has discovered a preparation, which is put up in the form of a pill, that has a specific action for curing Epilepsy, or falling fits, spanms; cramps; and all forms or falling fits, sparms; cramps; and all forms of nervous diseases. Among those who have been permanently cured, we might mention a member of the family of James H. Beadle, Huntsville, Alabama; Mr. M. P. Sledge, Cabin Point, Surry county, Va., and Mr. M. P. Li. gon, Grenada, Mississippi. We might go on enumerating others, until we had entirely filled up this colomn of our paper; but we think we have said sufficient to satisfy every person that the subject under consideration is one of that the subject under consideration is one of vital importance to every one. Reader if you are a well man or woman, and have no need of a remedy, perhaps you know some person who is not equally blessed as yourself, if so, cut out this notice, and send it to him or her. It will cost you but little trouble, and probably it will make you instrumental in curing some poor, afflicted mortal of that dreadful visitation, Ep-
