Gentlemen: Your note of the 15th Inst., has been recived, saying that you had heard that I had been, herefied by the disc of Wood's Hair Restorative, and requesting my certifiate of the fact if I had no objection to give it.

WOOD'S HAIR EXSTORATIVE.

Professor O. J. Wood: Dear Sir. Having had the misfortune to lose the best portion of my hair, from the effects of the yellow fever, in New Orleans in 1831.

It was induced to make a trial of your preparation, and found it to answer as the very thing needed. My hair is now thick and glossy, and no words can express my obligations to you in giving to the afficient such a treasure.

The Restorative is put up in battler of three sizes, viz: large; medium, and email; the small bottle holds it a pint, and retails for one dollar per boutle; the medium holds at least twenty per cont. more in proportion than the small, retails for two dollars per boutle; the large holds a quart; 40 per cent, more in proportion, and retails for three dollars.
