LIPE INSURANCE.

WE are told that he who neglects to provid: for his household is two recthan, the heathen. There is no doubt of it. When in heath the provident man will provide for his charge, and whilst that health is intent his prudence should prepare for solace in the dark day, for the hour when the sympathy of friends is as remaiding braiss. This cam be done by Life Insurance. Every moreovers this duty to his family. The uncertainty of the is a constantlesson which it agoles the fact that he who to-day walks in the pride of manhood, may full to-moreove, and the rlans by which itches inity of the who to day walks in the price of the the who to day walks in the price of the fact that he who to day walks in the price of the said honors were to have been brought to the loved ones, vanish as the morning mists. Let every man in health in-ture to his family the comfort of knowing that should lie be called from them the wolf may be kept from the door.
