Boro, Fulton, as a candidate for Sheriff. his frierd made their appearance. Stepping subject to the decision of the People's ouickly up and looking in at him where he County Convention. quickly up and looking in at him where he guickly up and looking in at the midst of sift, much like a great spider in the midst of a radiating web, Sir George said: "Why, Board of Trade. for the Month of Matth my friend, this is a strange trade you have taken to in your old days."

"Da, ay, sir, but a very guid trade, nevertheless. It turns in a hantle o' siller."

"I dare say it may, my friend; but it i not a live and let live kind of trade, for it you go on much longer you will leave none of it to any but yourself."

"Oh, I dare say that, sir," replied Nicky: "but then, ye ken, ilk ane for himsel in this world, and a bountifu' Providence for ns a'. advertisement of the "Hooker" and other That's gold doctrine, I trow, at least it's a doctrine that folks not on, and I dinna ken onything that can be said against it."

"O yes. But then it is not properly a trade at all. The shooting of groupse and partridges is sport, and it scones to me a of high flavor. This variety has perfect strange kind of it to go to work in this me- flowers, requiring no other variety as fersort of chance, you know."

"Yes; but if it be my pleasure to take my sport in this way, what has anybody to say against it? You please yourself by going out and trudging a dozen wiles and mair over a wat cauld moor for twa or three here and shooting ten for your ane. What and organized by the election of the follow-objection can ye has til 't?" ing officers:

"Oh, my friend, I don't pretend to dony your right to shoot over your own estate, since you have, as I understand, obtained a license. But, you must be well aware that the birds you are shooting are birds that have been rearest on other people's estates near you, and to which you have no manner of right ----- "

"Nie manner o' richt!" cried the Laird. "What right has you to say that to me, sir? Do nine o' other folks' birds come over the that two Justices of the Peace are to be troundary into your moor, and, when they do, do you absteen frag shooting them? 1 mann say, I never yet heard tell o' a sportsm in restricting himsel to the birds belang. ties are actively canvassing, and the fight ing to his ain grunds."

"Well, we can't be always sure whether the birds be our own, and practically we candidates appear in the field. Of the redon't refuse any that come; but then we all maining offices, the Assessorship will be take our chance alike. You are shooting most carnestly contested. Our paper will my birds to-day; I may be shooting one or two or yours to morrow. But here any hirds that you shoot must be other people's, for you have none of your own to shoot. And see what a plan you take to bring the birds about you. None of us attempt to wild them upon our grounds, with the de- being independent of polities, endorsment sign of shooting them."

"It just comes to this, that I am only do- but, although we may not hoist the name of ing what I has a richt to do. And sac, a nomines fur President or Governor at the tions. gentlemen, if ye has not mair to say, I wish head of our paper, -ond we are devoutly you would oblige me by going about your | thankful for such immunity,-we have alain business, and leaving me to go about ways reckoned among the most precious of mine. Guid morning to ve!"

Sa saving our village Hamplen forned occasional candidate for Coupty or local into his fortalize with such a degred air office. In exercise of this pivilege we now that the two gentlemen were obliged to declare Samuel Martin, Deputy Sheriff, and confess themselves fairly baffied. uf direct benefit to the business of the place, by a measure, great or small, of success in its declared object. Secondly, it must, indi-rectly, as an evidence of harmonions feeling en the part of our weakly, and most ener-inches too short and ninety pounds too light. en the part of our wealthy and most energetic citizens, work for good-the result to for the missing prisoner, whereupon he was proach of warmer weather a cooler substibe manifest in unity of action upon the honorably discharged. He naturally took first occasion calling for a combination of a drink in self congratulation on his lucky suggested the use of ice instead of hot was tiens? That plan of procedure would be the second se the efforts and resources of our entire community. The communication referred to sets forth fairly and with no andue prejudices, the advantages of our borough as a business location. Naturally it is unsur-

passed by any town in the State, and its artificial facilities for travel and transporta tion are in no wise inferior in merit to its stables. location. We need not recapitulate the ar-

guments advanced in the article referred to; they will be pronounced sound and conclu sive by every Columbian, and our most car nest wish is that the members of the Board of Trade may succeed in bringing convie tion to the minds of enterprising strangers We believe that there has never been a time more promising than the present for a cordial reception by our citizens of new capital and business enterprise in our town. The dustrial interests-is felt to this day, and

excellent work of setting our manufacturing establishments once more on their feet. or adding to their capacity of employment

and production. We have a large laboring population, and for it, as the foundation of mercantile and all other prosperity, the efforts of all good citizens should be engaged Give our people steady employment, and Columbia will go for#ard.

SALE OF THE COLUMBIA ROLLING MILL .-We are glad, with the entire town, to learn that the Columbia Rolling Mill has been sold by the Columbia Bank to parties-Mr. Maltby, of Baltimore, and Mr. Case, of Luzerne County-by whom it will probably be set in motion. We know nothing positively of prospects of speedy work at the Mill, but must suppose that it would not have changed hands unless the promise of profitable employment was fair. This will be good news to all clases of the community .--The mill, worked to its full connectly, will employ a couple of hundred hands, and the

wages paid out will form an important addi tion to the circulating medium of our town Give our iron manufacturing establishments a fair chance and we believe they will soon make their mark in the business of Columbia. We wish the new proprietors every their intention to commence active opera-

MEXICAN MUSTANG LINIMENT.

Its wonderful effects and consequent popularity-perhaps no article in the history of the Mauria Medica, ever acquires the same Patronage, was subjected to the same number of severe and different tests, and met with so few failures as the Mustang Liniment. It has jistly bren styled a Panacea for all efternal Woun Cuts, Swellings, Sprains, Bruises, or Ecuptions on Man 122 or Bea4. It is so far a movience of surprising virtue, 53 that Physicians are compelled to prescribe it, and from some remarkable cutes of Chronic and Distorted Rhem untic cases it has naturally attracted much attention from the first scientific minds of the age. No family can afford to be without a bottle of the Mustang Lini uent in the house. Beware of imitations. The genaine is sold by respectable dealers in all
