Some five or six years since it began to turn gruy, and the senip on the crown of my head to lose its sensibility and dandruff to form upon it. I was however, greatly urprised to find after the use of two bottles only, that not only was the falling off arrested, but the color was restored to the gray hairs and sensibility to the scalp, and dandruff ceased to form on my head, very much to the gratification of my wife, at whose solicitation I was induced tory it.
