Bad Legs, Bad Breatts, Sores and Uters.

All description of sores are remediable by the proper and tilligent use of this inestimable preparation. To attempt to care bad legs by plastering the edges of the wound together is folly; for should the skinunite. a boggy diseased condition remains underneant to break out with ten fold fury in a few days. The only rational and success fall treatment, as indicated by nature, is to reduce the inflammation in and about the wound and to soothe the neighboring parts by rubbing in plenty of the Unitment as sait is forced into meat. Diptheria, Ulcerated Sore Throat, and Scarlet and Other Fevers.

I stone to his stock of Coal, and invites customers who wish to lay in their fuel at very low rates to give

and Other Fevers.

Any of the above discases may be cured by well rubbing the Olimment three times a day into the clean, throat and neck of the pullent it will soon penetrate and rive immediate relief. Medicine taken by the mouth must operate upon the whole system ere its influence can be felt in any local part, where as the Olimment will the list work at much. Whoever tries the unguent in the above manner for the discases named, or any similar disorders affection the chest of throat, will find themselves relieved as by a tharm.

Piles, Fistulae, Strictures. Piles, Fistulas, Strictures.

Piles, Fistules, Strictures.

The above class of complaints will be removed by nigitly fomenting the puris with warm water, and then by most effectually fabbing in the Unitment—Persons safeting from these direful complaints should lose not a moment in arresting their progress. It should be understood that it is not sufficient merely to smear the Unitment on the effected parts, but it must be well runbed in for some considerable time two or three times s day, that it may be taken into the system, whence it will remove any hidden sore or wound as effectually as though paipable to the eye. There sgain fread and water produces, after the rubbing in of the Olimment, will do great service.—This is the only sure treatment for females, cases of cancer in the stomach, or where there may be a general hearing down. A Wall Street, New York, Dec. 26, 1886.

Gentlemen: You note of the 15th last that been recived, saying that you had been that I had been henefied by the use of Wood's Hair Restorative, and requesting my certifints of the fact if I had no objection to give it.

I award it to you cheerfully, because I think it doe My age's about 50 years; the color of my hair an burn, and inclined to curl. Some five or six years since it began to turn gray, and the scalp on the crown of my head to low its sensibility and dandruff to form upon it. Sears of these disagrantitities increased with time, and about tour months since a fourth was added to them, by hair fulling off the top of my head and threatening to make me baid.

In this unpleasant predicament I was induced to them, by hair fulling off the top of my head and threatening to make me baid.

In this unpleasant predicament I was induced to try Wood's Hair Restorative, mainly to arrest the falling off of my heir, for I had really no expectation that gray hair could ever be restored to its original color exect, from dyes. I was, however, greatly urprived to find after the use of two bottless only. That not only was the falling off arrested, but the color was restored to the gray hairs and sendiality to the scalp, and dondruff erased to form on my head, yery much to the gratification of my wile, at whose solicitation I was induced to try it.

For this, among the many obligations I owe to ber sex. I strongly recommend all busbands who value the admiration of their wives to profit by my example, and use it if growing gray or getting haid. Very respectfully.
