Saturday morning 14th inst., Mrs. Elizabeth R. Smith, (Gallus Jane) made complaint at the Willows against her husband, Nathan Smith, for assault "with intent," gambling, bigamy, vagrancy, and general depravity and worthlessness. Constable Read with a warrant soon brought Nathan to the scratch. On hearing it was made manifest that Na- discovered than depended on Elizabeth Rebecca for support, that devoted woman ceaselessly plying her trade-country begging-in the surrounding territory. On return from her last foray she discovered that Nate had taken to himself a fresh wife, had opened a first class gambling establishment in the ern or Southern wing of the party, or wheth- house, and, to crown all, was drunk and had company to tea. The feast was only delayed for the arrival of Nathan's "slavey" with the viands. Elizabeth R. curdled at the outrage, she was loud in her indignaof gatherings of all complexions. We did tion and promptly stopped the rations, net attend the meeting and cannot speak of whereupon Nate, backed by his new spouse, knocked her down and "thundered" her. The defense went to show that Gallus Jane, who "humps" herself on her muscle, under took to thrash her husband. Nathan proved to have rather too much Heenan for ber. however, hence the complaint. Here was as beautiful a case for a two-edged decision us the Justice had ever had, and he improved the opportunity. The evidence on both sides was without flaw, and no doubt for a moment harassed the mind of the 'Squire. He promptly committed plaintiff for twenty days, defendant for twenty days, and principal witness, Jim Cummings, for sixty days. Constable Read escorted this his special precinct of the North Ward .- happy family to Castle Cadwell the same day.

HIGH STRUNG .- How a young lady endeavored to adapt her style of conversation Bruises, Sores, Stiff Joints and Rheumanic Pains, and to the character of her guests is thus related by an Ohio paper:

Tom Corwin and Tom Ewing being on a political tour through the State, stopped at the house of a prominent politician at night. A young niece pre. ided at the supper table. She had never seen great men, and supposed they were elephantine altogether, and all talked in great language.

"Mr. Ewing, will you take condiments in your tea, sir?" inquired the young lady "Yes, miss, if you please," replied the quondam salt boiler.

Corwin's eyes twinkled. Here was funventured an interrogatory as to the profane for him. Gratified at the apparent success one's personal acquaintance. In his most of her first trial at talking to big men, the imposing ninety day tone: "Do you know young lady addressed Mr. Corwin in the same manner,--

"Wil. you take condiments in your ten,

"Pepper and salt, but no mustard," was the prompt reply of the facetious Tom. Of were an imperative command to the roter course nature must out, and Ewing and the to desist. The answer was similar to the entertainer roared in spite of themselves .continued to fly. Mercupon the man got was voluble in wit and compliment. PAIN DESTROYER,

Is one of the few domestic remedies which have come into general use and favor without puffing. It is the product of a simple shrub harmlessin all cases and a domestic remedy un qualted. For Burns, Cais, Burness, Sprains, Rheomatism, Boits Ulcers, Old Soce and Wounds, it has not an equal, it is also used, with great success for Foothsiche, He dache, Neuralga, Sore Thront, Colic, Diarriors, and other smiles roudies-one am pandal affections, while it promptly arrests all Hemorrhages. Hundreds of physicians use it daily in their proctice, and give it to ir angushfied recommendation. Solid by our agents and dealers, and ly

VITRIFIED CHIMNEY TOPS.

VITRIFIED CHIMNEY TOPS.

This is an article to which apery builder's attention. I should be particularly directed. At this moment from any roof in our large cines you can count thou saids of brick chamnels so computely eaten by the coal gas and weather as to demand immediate removal—to do which seidem cost less than 85 at once showing the necessity of some atticle that will not decay or be easen by gas, &c. This we now offer in our Ornsmental and Plain Chimney Tops. They are burnt harder than stone; in fact, perfectly withfied, are impervious to the strong send emitted by coal, (which seats up brick and morar in less than three or tour years). We are now making, and have on hand, large quantities of several different sayles, and from 10 large quantities of several different sayles, and from 10 large quantities of several different sayles, and from 10 large quantities of several different sayles, and from 10 large quantities of several different sayles, and from 10 large quantities of several different sayles, and from 10 large quantities of several different sayles, and from 10 large quantities of several different sayles, and from 10 large quantities of several different sayles, and from 10 large quantities of several different sayles, and from 10 large for the sayles of the sayles

(7 ITRIFIED Berra Cotta Garden Vases, Sta-I mays. Fountains, fuilding Ornaments, such as Brackets. Capitale, Meditions, &c Cheaper than any other material. Tirer designs than any other material. A large stock constantly on hand.
