spanker with an effective delivery. His remarks were listened to attentively and drew forth frequent applause. He apoke for

about an hour. While Mr. Casey was speaking a delegation of two hundred arrived from Millers ville, headed by the Millersville band in most tasteful and beautiful hand wagon. At half past eight the Lancaster delegation arrived by special cars attached to the Lancaster Accommodation train. They halted at Mill street and formed on Front, where they were met by a committee and escorted up Front street. At the corner of Front and Walnut the procession was met by the York delegation which took the lead followed by the Lancasterians, the line being brought up by a Committee of Columbians with the National Band. The Lancaster delegation was mainly composed of the Wide Awake Club, which paraded two hundred and capes and torches. The entire number of tickets issued in Lancaster was three hundred and fifty-three. The Wide Awakes, hended by the Fencibles' Band, were the Bank: attraction of the evening and formed the back to the screaming times of Log Cabins

adding to the beauty of the scene. The York Delegation with the York Band, unexcelled in the country, leading, made a good show, only eclipsed by the equipments and organization of our Lancaster parencies the largest of which bare the between us and our present subscribers if Rose of Lancaster, Greeting! Hail Colum hia!" There were two hundred and fifty tickets sold in York for the excursion.

route the set off handsome Roman Candles,

This process on marched up Walnut to Fourth, down Fourth to Locust and down Wide Awakes countermarched on Second Dgalge?

The arrival of the procession interrupted the remarks of Mr. Coffey, who resumed speaking after the delegations had closed around the stand, and was greeted with frequent cheers.

O. J. Dickey, E-q., of Lancaster, was next introduced, and spoke briefly. Wreaths were presented to Messrs. Coffee and Dickey at the close of their remarks, and the meeting then adjourned.

other surrounding towns.

The entire affair was marked by good order, there being no fighting, and no more drinking than is inevitable on such an occa-

being interrupted -- sometimes the speakers bers, and of that kidney. Their plunder is are saliged, and the whole are so arrang d This will probably be remedied in future. as the "Wide Awake" feeling has been

Johnson's Patent Hog Trough Lufacture und sell this invention in Lancaster county-desige to introduce it to general use. It is a cast iron trough with a shifting top, of sufficient espaciny to hold; the feed of one log. It is so constructed that the animal cannot get its feet into it and must take its feed without the usual scrambling and splashing. By his arrangement of the top the hog is prevented from feeding until the trough is falled; when the top can be shifted at will. The trough will be found a great convenience-in feeding, and must, when known, become popular. The trough and is the shops in Second ettect, below Union, Columbia, Pa.
