Oax Grove, S. C., June 24th, 1859.
PROP. O. J. Wood: Dear Sir:—Your Hair Restorative is rapidly gaining popularity in this community I have had occasion to lay privadice uside, and give your Hair Restorative a perfect test:—

During the year 1854, I was so unfortunate as to be thrown from my sulky against a rock near the road-side, from which my head received a most terrible blow; causing a great deal of irritation, which communicated to the brain and external surface of the head, from the effects of which my hair was finally destroyed over the entire surface of the head. From the time I first discovered its dropping, however, up to the time of its total disappeurance. I employed everything I could think of, heng a professional man myself, and, as I thought, understanding the nature of he disease, but was fausily defeated in every prescription advanced.

These and no other circum-tunces induced me to

THOMAS SURGHNOR.

Dr. Wood: Dear Sir: Permit me to express the obligations I am under for the entire restoration of my hair to i soriginal color; about the time of my serveal in the United States it was rapidly becoming gray, but upon the application of your "Hair Restorative" it soon recovered its original line. I consider your Restorative as a very wooderful invention, quite officeations as well as agreeable.
