VITRIFIED CHIMNEY TOPS.

"Illis is an article to which every builder's attention I should be particularly directed. At this moment from any roof in our targe crites you can count thou against of brick chimneys so completely eaten by the coal gas and weather as to demand immediate removal—to do which seldem costs less than St. at once showing the necessity of some stricts that will not decay or be caten by gas. &c. This we now offer in our Ornamental and Plain Chimney Tops. They are burnt barder than stone; in fact, perfectly vitrifact, are impervious to the strong send emitted by coal, (which sent up brick and morar in less than three or four years). We are now making, and have on hand, large quantities of several different styles, and from \$1.75 to \$20 cach, (less in the first place than a brick chimney). Designs farnished and orders promptly strends to by addressing the manufacturers at the factory.

Than Germantown Road, Office, S. A. Harrison, 1010 Chesting strends we have a large 101 of TRS FOR SALE. We have a large 101 of

TRS FOR SALE. We have a large lot of ouart, half gallon and gallon Jars with tin lids which we will pi-pose of at very low figure.

THE CALY IIIII ATION HAVING PROOFS SO STRONG AND DIRECT AS TO

For Statesmen Judges. Fditors. Physicians of the oldest schools as well as new, give it their unquities of annothing and free properties. The state of the schools as well as the schools as well as the schools as well as the school and branch and branch put all who have used it, under in teatifying that it will preserve the hard from being gray, and from faling to any age, as well as restore. Read the following:—

Paor. O. J. Wood: Dear Sin—Your Hart Restorative is rapidly gaining popularity in this community. I have had occasion to lay prejudice aside, and give jour Hart Restorative perfect test:—

During the year 1854. I was so unfortunate as to be thrown from my sulky against a rock near the road-side, from which my head received a most terrible blow; causing a great deal of irritution, which communicated to the brain and external surface of the head. From the affects of which my hair was faintly destroyed over the entire surface of the head. From the tiffset discovered its donning. however.

municated to the brain and external surface of the head, from the effects of which my hair was finally destroyed over the entire surface of the head. From the time I first discovered its dropping, however, up to the time of its total disappearance. I employed everything I could think of, heing a professional man myself, and, as I thought, understanding the nature of he disease, but was finally defeated in every prescription advanced.

These and no other circumstances induced me to resort to your worthy Huir Restorative, which I have every reason to believe, produced a very happy result; two months after the first application, I had as beautiful a head of young hair as I ever saw, for which I certainly owe you my most sincere thanks—Revi ascured, dear siz. I shall recommend your remedy to all inquirer; moreover, I shall use my influence, which I fatter myself to say, is not a little. You can publish the if you think proper. Yours, very respectably, M. J. WRIGHT, M. D. Office of the Jeffersonian, Philippi, Va., Dee. 12th, 1860.

Dear Six:—I feel it my duty as well as my pleas-

Yours, &c...
THOMAS SURGHNOR. DR. Woon: Dear Sir: Permit me to express the obligations I amunder for the entire restoration offmy that to its original color; about the time of my atrival in the United States it was rapidly becoming gray, but upon the application of your "Hair Restorative" it soon recovered its original hee. I consider your Restorative as a very wonderful invention, quite efficucious as well as agreeable.

STHALBERG.

STHALBERG.
The Restorative is put up in bottles of three sizes, viz: large, medium, and small; the small bottle holds a pint, and retails for one dollar per bottle; the medium holds at least twenty per cent, more in proportion than the small, retails for two dollars per bottle, the large holds a quart-40 per cent, more in proportion, and retails for three dollars.

N. 16—None but the most skinful designers, cutters and workmen employed; and suisfaction in fit, fashion, fabric, pitce and gelt, guaranteed at URANVILLE STOKES'

One Price Giff Coloning Emportum, No. 607 Chestnut Street, Philadelphia.

MADE THEREE EACTS

MARK THESE FACTS. The Testimony of the Whole Word. HOLLOWAY'S OINTMNT. Bad Legs, Bad Breasts, Sores and Ulcers.

All description of sores are remediable by the proper and diligent use of this inestimable preparation. To attempt to cure bad legs by plastering the edges of the wound together is folly; for should the skin unite, a boggy di-ensed condition remains underneath to break out with ten fold fary in a few days. The only rational and successful treatment, as indicated by nature, is to reduce the inflammation; and about the wound and to soothe the nearbooring parts by rubing it a pienty of the Unitment as sail is forced bing is plenty of the Unitment as sait is force of ment. Diplheria, Ulcerated Sore Throat, and Scarlet

and Other Fevers. and Uther Process.

Any of the above disenses may be cured by we rubbing the thintment three times a day into a chest, threat and neck of the patient; it will so penetrate and give timedilute relief. Medicine take by the mouth must operate upon the whole systere its influence can be fell in any local part, when as the comment will do its work at once. Whoever years the auguent in the above manner for the digrams manned, or any similar diorders affecting the chest or throat, with and themselves relieved as by charm.

Piles, Fistulas, Strictures.

The above cause of complaints will be removed by nigitity formening the parts with warm water and then by most effectually rubbing in the Ointment—Persons—suffering from these direful complaints should lose not a moment in arresting their progress is should be understood that it is not sufficient merely to smoor the Ointment on the effected parts, but it must be well rubbed in not some considerable time two or three times as that it may be taken into the system, where it will remove any hidden sore or wound as effectually as though palpathe to the eye. There again treat and water positives, after the rubbing in of the Oint entity it due not served.

They cause of ty safe treatment for I makes, cause of a most in the streatment of I makes, cause of the far dawn.

Ladiscretions of Youth: Sores and Meers.

Indiscretions of Youth; Sores and Vicers. In across so a season ongs. c. n. with certainly be indicated consect of the Omitment has used treely, and in this bestaten night and morning as recommended in the practice for a first property of the Power of the first property of the Power of the property of the Power of the property of th Dropsical Socillages, Paralysis and Stiff Joints Aldonga hereave com Junts and widely in their actin and action yet to yet the paralysis and stiff Joints Aldonga hereave yet to yet to require local treatment. Many of the world cases, of some diseases, will yield in a comparatively short space of time when the Unitional segmentity rubbed into the parts affected, even after every other means have failed. In all senous modules the Pints should be taken according to the printed directions necompanying each box
