Bad Legs, Bad Breasts, Sores and Ulcers. Bad Legs, Bad Breast, Sorrs and Utterr. All description of sorrs are remetable by the proper and diligent use of the inestimable preparation. To attempt to care bid legs by plastering the edges of the wound ingenher is folly; for should the skin unite, a boggy dietaed condition remains underneath to break out with ten fold far yin a few days. The only rational and surcessful treatment, as indicated by nature, is to reduce the inflammation in and about the wound and to southe the neighboring parts by rubbing in plenty of the Ontraneat as sait is forced into meat.

Diptheria, Ulcerated Sore Throat, and Scarlet

Diptheria, Ulcerated Sore Throat, and Scarlet and Other Fepers. Any of the above diseases may be cired by will rubbing the Olathema three times a day into the chest, throat and neck of the patient i...will room penetrate and give immediaterclife. Medicale taken by the mouth must operate upon the whole system ere its influence can be felt in any local part, where-as the Olathema will do its work at once. Wheever tries the auguent in the above manner for the dis-eases named, or any similar disorders affertime the chest or throat, will had themeetves relieved as by a charm. Piles, Fistulas. Strictures

Piles, Fistulas, Strictures. The above class of complaints will be removed by nightly formenting the parts with warm water, and then by most effectually rabbing in the Onatment.— Persons suffering from these direful complaints should lose not a moment in arresting their progress. It should be understood that it is not sufficient merely to smear the Onatment on the effected parts, but it must be well roubed in for some considerable time two or three times a duy, that it may be taken into the system, whence it will remove any hidden sore or wound as effectually as though papable to the eye. There again bread and water positices, after the rubbing in of the Ointment, will do great service.— This is the only suce treatment for females, cases of cancer in the stormach, or where there may be a gen-real bearing down. Indiscretions of Youth: Sares and Illeers.

Indiscretions of Youth; Sores and Ulcers. Indiscretions of Youth; Sores and Ulcers. Blotches, as also swellings, can, with certainty, be radically cared if the Ointment be used freely, and the Fills be taken night and morning as recommended in the printed instructions. When treated in any other way they only dry up in one place to break out in another; whereas this Oniment will remove the hamor from the system, and leave the patient a vig-orous and healthy being. It will require time with the use of the Pills to ensure a hasting cure. Dropsical Suclings, Paralysis and Stiff Joints Although the above complaints differ widely in their origin and nature; yet they all require local treatment. Many of the work cases, of such disence, will yield in a comparalively short space of time when this Ontiment is generally rubbed into the paris affected, even after revery other means have faile 1.
