Johnson's Patent Hog Trough.

MILE subscribers having purchased the right to man-III for the same of the right to man-ill ufacture and sell this invention in Larcaseur county, desire to introduce it to general use. It is a cast from troughwith a shifting top, of unificient espacity to hold the feed of one box. It is a constructed that the uni-mal cannot get its feet into it, and must take its feed without the usual termibiling and spatishing. By the arrangement of the top the hog is prevented from feed-ing antil the trough is filled when the top can be shifted at will. The trough will be found a great convenience in feeding, and must, when known become popular. The troughs are for safe at the shops in Second street below Union, Columbia, Pa.
