AROMATIC INVIGORATING SPIRIT. AROMATIC INVIGORATING SPIRIT.
This medicine has been used by the public for six years, with increasing layor. It is recommended to cure Dyspepsia, Nervounneas, Heart-Burns, Couring, Wind in the Stomach, or Pains in the Bowels, Headache, Drowsiness, Kdney Cosplaints, Low Spirits, Delirium Fremens, Intemperanes.

It Stimulates, Exhiltersters, Invigorates but will not Intozicated Stuperly.
As a medicine, it is quick and effectual, curing the most aggravated cases of Dyspepsia, K-dacy Complaints, and all other derangements of the Stomach and Bowels in a speedy manner of fig. arc. have been supported to the stomach of the stomach of

Persons, who, from dissipating too much over sight, and feel the evil effects of possenous injures, in violent beadaches, sickness at somach, weakness, giddiness, &c., will find one done will remove all bad giddinest, &c., will find one done will remove all bad feelings.

Ladles of weak and sickly constitutions, should take the Invigorating Spirit three times a day; it will make them strong, health and happy, remove all obstructions and streeting and treatment from the measured organ's and restore the bloom of health and beauty to the cateworn fere.

During pregnancy at will be found an invaluable medicine to remove disagrecable sourcations at the stomach.

MARK THESE FACTS. The Testimony of the Whole Word.

HOLLOWAY'S CENTRENT. Bad Legs, Bad Breasts, Sores and Ulcers. All description of sores are remediable by the proper and diligent use of this measured be preparation. To attempt to cure but legs by plantening the edges of the wound togother is folly; for should the skir unite, a boggy di-ensed condition remains undereast, in breath out with ten fold fury in a few days. The only rational and successful restinent, an indicated by nature, is to reduce the influentation in and about the wound and to soothe the neighboring park by robbing in plenty of the Omitment as sait is forced into meat.

In all some discasses, such as Fevers, Inflammation, Biarrhea, Dysentary, Croup, Rheumation, and such cruptive diseases as Scarlet Fever, Measies, and Eryspelas, its advantage of giving the proper remedies promptly is do vious, and in all such cases the specifics act like a charm. The entire disease is often arrested at once, and in all cases the violence of the attack is moderated, the disease shortened, and rendered less dangerous.

Coughs and Golds, which are of such frequent occurrence and which so often lay the foundation of diseased lungs bronchitis and consumption, may all be at once oured by the Fever and Cough Pills.

In all chremio diseases, such as Dyspopsia, Weak Stonact, Constipation, Liver Complaints, Files, Fennis Debitity, and Irregularities, old Headaches, Sore or Weak Fyes, Catarth, Sait Rheum, and other old eruptions, the case has specific whose proper application will afford a cure in almost every instance. Often the cure of a single chronic difficulty, such as Dyspopsia, Files or Catarth, Headache or Female Weakness, has more than paid for the case ten times over.
