Price Five cents a number; \$2,50 per year.

The variety, the sprightliness, and the value of the contents. There is a complete history of mealty all the public events of the year—there are undies retained to the teading topice—there are the graceful triffings (not always trivial, however, but protonoidly instructive) of the Lounger—there are the tales and stories of Bulwer. Dickens, Thickerny, Active are the new and old—and, above all, there are the new and old—and adove all, there are the new and old—and, above all, there are the new and old—and adove all, there are the new and

class of renders, moreover, may be interested by inthe old and thoughtful, the young and gay; the man of
business, the child and the woman.—N. Y. Evening
Peat.

We would not so often call intention to Harper's
Weekly if we were not well satisfied that it is the initial
ity paper published in the United States, and for that
cason, and that alone, we desire to see it undermine
and root out a certain kind of iterature too prevalent,
which blants the morals of its renders, vinites their
taste for sensible rending, and is altogether bad in its
effects—Now London Adectiver.

As Harper's Magazine has done much to drive out
the yellow-covered literature, so we should be glad
to see this new Weekly take the place of those paper's
which depend for excellent opportunity is alforded for any one
who wishes to preserve the history of the country as
it is made, to do so by kinng Harper's Weekly.—Positiac (kileh.) Jack-saian.

Its fresh leaves, its clear type, its entertaining variety, its severe hull just criticisms upon the follies of
the times, its eleganity written and instructive articles
are noted to correspondence. all combine to make it
every family martipize. Its contents, anorth to the facilities of the renards
