Bud Legs, Bud Breasis, Sures and Ulcers. All description of sores are remediable by the proper and diligent use of this inested to be proparation. To attempt to cure bid legs by plastering the eages of the wound together is folly; for should the shouthert, a boggy discassed contained remains anderments to heats out with ten hold farly in a few days. The only rational and successful treatment as indirated by nature, is to reduce the mil amount on an about the wound and to soothe the neighboring parts by subting in plenty of the Chathent as sail as lorged and thesis.

Dipthesia, Ulcerated Sare Throat, and Scarlet

Any of the above diseases may be eared by well familiary the Olintment three times a day into the whest throat and neck of the patient; it will soon generate and give immediate seller. Medicine taken by the month must operate upon the whole system ere its influence can be felt in any local part, whereas the Chimment will not a wark at once. Wheever trea the unquent in the above manner for the discusses amend, or any similar disorders affection the cheest or throat, will find them cives relieved as by a charm.

Piles, Fistulos, Strictures. Piles, Fistules, Strictures.

The above class of compliants will be removed by out thy tomenting the perie with warm worse, and then by nost effectually robining in the Gintment—Persons suffering from these directly compliants—should lose not a moment in a resting their progree—It should be understood that it is not sufferent merely to smear the Oningent on the effected parts, but in must be well cubbed in for some considerable time two or three times a day, that it may be these mind the system, whence it will remove any hidden sore or wound as effectually as though pulpatile to the eye. There again bread and water positions—after the rabbing in of the Oniment, will do great evivee—This is the only sufe treatment or term stee, cases of cameer in the stomech, or where there may be a general bearing down.

Indiscretions of Youth; Sores and Ulcers. Biotches, as ulso swellings, con, with certainty, be ideally cured in the Omiment be used freely, and Both the Ointment and Polls should be used in

The Best, Cheapest, and most Successful Family Paper in the Union. HARPER'S WEERLY.

Price Tive cents a number; \$2,50 per year.
THE variety; the sprightliness, and the value of the
I contents. There is a complete history of nearly
all the public events of the year—there are ample
discertations on the leading topy:—there are the
graceful triffings (not always trivial, however, has
protoundly in-iractive) of the Lounger—there are the
tales and stories of Bulwer. Dickens, Thackerny, &c.
—there are the new and old—and, above all, there are
those striking wood cut representations of contemporary men and things, of tollies and fishous, and of
customs and coantries—all contained within a single
volume, and to be had for a song. It is a grand picture book of the human lite of the aimsteenth century,
in all its phases, and it nearly all nations. Every
class of readers, moreover, may be tracered by it—
the old and thoughtful, the young and gay; the man of
business, the child and the woman — X. Y. Eccning
Post.

We would not so often call attention to Harper's
Werkly if we were not well satisfied that it to the landterms and for the contents. Price Tive cents a number; \$3,50 per year.

Neuron, and that ulone, we desire to see at antermine and root out a certain kind of horamure too prevalent, which blants the morals of his readers, viriates their most for sensible reading, and is altogether had in its effects—New London Advertiser.

As Interpet's Magazine has done much to drive out the vellow-covered literature, so we should be glad to see this new Weekly takethe place of those paper, which depend for excitences on poor, trash) novels—New York Econgolist.

It (therpet's Weeklt) lis the proper size for binding and an excellent opportunity is afforded for any one who which to be preserve the interpret becomes to evidence to the control of the control of the control of the desire of the horse of the times, the server but just control on noon the bilities of the times, the server but just control on noon the bilities of the times, the elegantity written and instructive articles and its able correspondence, all combine to make it the model newspaper of our country, and one that every inmity unstiprize. Its condensed weekly summary of a origin and Domestic Interference is shorted in superior to thin contained in may other journal, their population to the finantly and fireside as the day on which it was inserted.—McConnels life (1) Inquire.

Work of the kind in the World." HARPER'S MAGAZINE.

THE MATERIAL THE STATES AND THE TOP IN THE TOP IN THE TOP IN Magazine in Europe or America is so well known; none has half so many render; and, we may safely say, none has received sofarge a tribute of set meating from the cultistated classes that delight in a literature. The first should be the comment of the day, the first should be the commentation from the cultistated classes that delight in a literature. It is the foremost Magazine of the day. The first should be the commentation a more entertaining friend, than Happer's Magazine — Methodist Protestant (Baltimore).

Twennyshive cents lays in—the cleapest, inchest, and most lasting loxing for the money that we know. Three dollars see a resisting that the same a mount in clothes, enting drinking, formular-hand how much of a substitution liting is obtained. If the down much of a substitution liting is obtained, if the last bring a genite smile, and brighten the passage of a right to your brain, and the happy combination of the real and imaginative, without which no one can live a life above the animal, are to be put into the scale opposite to dollar and cents, they you may be certain, that if Happer were three or four times as dear, it would amply repay its price. It is a Magazine more, with the idea and purpose of a Magazine-mot a look, not a scientific periodical, nor yet a supplier of high gostip and charty anecdotes—but a Magazine that take-every form of interesting, diagnific, and antractive iterature in ragrays.—Southern Times

The columes bound constitute of themselves a thront of miscellaneous reading, such as can not be found in the same compass in any other publication that has come under our notice.—Baston Courier. ME most popular Monthly in the world .- New York where or miscellaneous reading, such as can not be found in the same compass in any other publication that has come under our notice.—Beston Courier.

Unquestionably it is the best systemed work of the kind in the language; that is to say in the world. The splended monthly exacy from the Educis Table are above price.—N Y. Christian Advecate and Journal.

We must refer in terms of cology to the high tone and varied excellences of Farper's Magazine, a journal with a monthly circulation of about 170 000 copies in whose pages are to be found some of the chen estigation and general rending of the day. We speak to his work as an evidence of the American people, and the popularity a has acquired is meried. Each number contains in by 144 pages of instructive matter, appropriately illustrated with good wood-cuts; and it combines in itself the racy monthly and the more philosophical quarterly, blended with the healt of the day power in the evention and dissemination of a lower of pure literature.—Trendens Guide to Imprica i Literature, London.
