This Great Clothino Emporium of the Union.—
Philadelphia possesses the most splendid Clothing Emporium in the country. It is aplendid as regards the palatial structure in which the immense business of the establishment is conducted, and it is equally splendid in respect to its great facilities and wast resources. But to its patrons its chief attractions are, first-time elegance of the garments for Gentlemen and Youths, manufactured there; secondly, the heauty and durability of the materials, and the superior excellence of the fit, and lessly, the molerate prices at which the goods are sold. We refer in this description, to none other than the Brown stone Clothing Hall of Rockhill & Wilson, Nos 603 and 605 Chestaut street, above k Wilson, Nos 603 and 605 Chestnut street, abov

AYER'S Sarsaparilla

FOR PURIFYING THE BLOOD. And for the speedy cure of the following complaints: Scrofula and Scrofulous Affections, such as Tumors, Ulcers, Sores, Eruptions, Pimples, Pustules, Blotches, Boils, Blains, and all Skin Diseases.

Pimples, Pustules, Blotches, Boils, Blains, and all Skin Diseases.

J. C. Ayer & Co. Gents: 1 feel it my duty to acknowledge what your Saraparlia has done for me. Having inherited a Scrofulous infection, I have suffered from it in various ways for years. Somethines it burst out in Ulcers on my hands and arms; somethines it turned inward and distressed me at the stomach. Two years ago it broke out on my head and covered my scalp and ears with one sore, which was painful and loalisome beyond description. I tried many mediches and several physicians, but without much relief from any thing. In fact, the disorder grow worse. At length I was rejoiced to read in the Gospel Messenger that you had prepared an alternitive (Sarseparilla), for I knew from your reputation that any thing you made must be good. I sent to Cincinnatiand got it, and used it till it cured me. I took it, as you advise, in small dosses of a tesspoonful over a month, and used almost three bottles. New and healthy skin soon began to form under the scale, which after a while fell at the disease has gone from my system. You can well believe that I feel what I am saying when I tell you, that I hold you be one of the apostles of the age, and semain ever gratefully.

St. Anthrony's Fire, Rose or Exystpellas,

St. Anthony's Fire, Rose or Erysipelas, Tetter and Salt Rheum, Scald Head, Ringworm, Sore Eyes, Dropsy. Dr. Robert M. Proble writes from Salem, N. Y., 12th Sept., 1859. that he has cured an inveterate case of Dropty, which threatened to terminate fatally, by the persevering use of our Sursaparilla, and also a dangerous Malignant Erysipolas by large doses of the same; asys he cures the common Erysipolas by it constantly.

Bronchocele, Goltre or Swelled Neck.

Zebulon Sloan of Prespect, Toxas, writes: "Three bettles of your Sarsaparilla cured me from a Gaire — a hideous awelling on the neck, which I had auffered from over two years." som awelling on the neck, which I had antiered from over two years."

Leucorrheen or Whites, Ovarian Tumor, Uterine Ulceration, Female Diseases.

Dr. J. B. S. Channing, of New York City, writes, "I most cheerfully comply with the request of your agent in gaying I have found your Sarsaparilla a most excellent alterative in the numerous complaints for which we employ such a remedy, but especially in Female Disease of the Scrotulous distillesis. I have cured many invoterate cases of Leucorrheea by it, and some where the complaint was caused by ulceration of the ulcrus. The ulceration intelled was soon cured. Nothing within my knowledge equals it for these female derangements."

Edward S. Marrow, of Newbury, Ala., writes, "A dangerous overfan tumor on one of the females in my family, which had defied all the remedies we could employ, has at length been completely cured by your Extract of Sarsaparilla as the last resort before cutting, and it proved effectual. After taking your remedy effect weeks no symptom of the disease remains."

Syphills and Morcurial Disease.

Syphilis and Mercurial Disease NEW ORLEANS, 25th August, 1859.

DR. J. C. Afren: Sir, I cheerfully comply with the request of your agent, and report to you some of the effects
I have crealized with your Sarzaparille.
I have creat with it, in my practice, most of the complaints for which it is recommended, and have found its There cured with it, in my practice, most of the compilants for which it is recommended, and have found its effects truly wonderful in the cure of Fraeval and Marcuriol Discase. One of my patients had Syphillic ulcers in his threat, which were consuming his palate and the top of his mouth. Your Sarasparilla, steadily taken, cured him in five weeks. Another was attacked by secondary symptoms in his nose, and the ulceration had eaten away a considerable part of it, so that I believe the disorder would soon reach his brain and kill him. But it yielded to my administration of your Sarasparilla: the ulcera healed, and he is well again, not of course without some disfiguration to life face. A woman who had been treated for the same disorder by morcury was suffering from this poton in her bones. They had become so scusifive to the weather that on a damp day she suffered excuclating pain in her joints and bones. She, too, was cured entirely by your Sarasparilla in a few weeks. I know from its formula, which your agent gave me, that this Preparation from your laboratory must be a great remedy; consequently, these truly remarkable results with it have not surprised moFraternally yours, G. INDERSPECT, Preston Co., Va., 6th July, 1839.

DR. J. C. Atk: Sir, I have been affilted with a painful chronic Ilhermatism for a long time, which basiled the skill of physiciaus, and stuck to me in spite of all the remedies I could find, until I tried your Sarasparilla. One bottle cured me in two weeks, and restored my general health so much that I am far better than before I was stracked. I think it a wonderful modeline. J. FREAM.

Jules Y. Getchell, of St. Louis, writes: "I have been afficted for years with an affection of the Liver, which destroyed my health. I tried every thing, and every thing falled to relieve me; and I have been a broken-down man for some years from no other cause than derangement of the Liver. My beloved pastor, the Rev. Mr. Papy, advised me to try your Sarasparilla, because he said he knew you, and any thing you made was worth trying. By the blessing of God it has cured me, and has so purified my blood as to make a new man of me. I feel young again. The best that can be said of you is not half good enough."

A great variety of cases have been reported to us where cures of these formidable complaints have resulted from the use of this remedy, but our space here will not admit them. Many remarkable cures of these affections have been made by the alterative power of this medicine.
