## Bad Legs, Bud Breasts, Spres and Ulcers.

All description or sours are remediable by the prope All discention on source are remediable by the proper and daigent use of this mestimah le preparations. To attempt to case had least by pla stering the edges of the wound ingether is folly; for should due dain units, a boggy diseased condition remains underneath to recase out with ten hold fury in a few days. The only rational and successful treatment, as inducated by nature, is to reduce the inflation ring parts by rubbing in plenity of the Unitment as kalt is forced no meat.

Diptheria, Ulcerated Sore Throat, and Scarlet and Other Fevers.

Any of the above discenses may be enred by well rabbing the Olutionent three times a day into the sheat, throat and neck of the patient; it will room penetrate and give immediate relief. Medicine taken by the mouth must operate upon the whole system is to the influence can be left in any local part, where is the Onitment will do its work at once. Whether rises the unguent in the above manner for the error rises the unguent in the above manner for the error. chest on anguent in the above manuer for the dis-caves named, or any similar diorders affecting the chest or throat, will find themselves relieved as by a charm.

Piles, Fistulas, Strictures.

Piles, Fistulas, Strictures. The above class of complaints will be removed by ingitif fomening the parts will warm water, and then by most effectually rubbing in the Ointment — Persons suffering from these direful complaints should not an unoment in arresting their progress. It should be understood that it in ont sufficient merely to smear the Oninnent on the effected parts, but it must be well rubbed in for some considerable time two or three times a day, that it may be taken into the system, whence it will remove any hidden sore or wound as effectually as though palpaide to the eye. There again bread and water positices, after the rubbing m of the Comment, will do great service... This is the only state treatment for temater, class of cancer in the stomach, or where there may be a gen-eral bearing down. Indiscriptions of Youth; Sures and Ulcers.

Unquestionably the best sustained

Work of the kind in the World." HARPER'S MAGAZINE.

HE most popular Monthly in the world.-New York Observer. No Magnzine in Europe 22 America is so well lown; none has half so many renders; and, we may

A Deserver. No Magnazine in Europe 22 America is so well known; none has half so many render; and, we may safely say, none has received so large a inbut of ad-minimum from the coluvated classes, that delight in a healthy, diversified, elevature periodical interature— It is the foremost Mayazine of the day. The freshe never had a more delightful company nor the mil-lion a more entertaining friend, than furper's Maga-zupe.—Mithodis Protestant (Buthinore). Twenty-five cents Luy: it—the cheapest, tichest, and most lasting further in the money that we know. The dollars sectres it for one year, and what three holdner ever what so far? Part the same amount in clothes, cating, drinking, furminger, and now much of a substantial thing is obtained? If deas, facts, and continues have a monetary value—above all, it the humor that references, the plausanties that bring a genite suite, and the huppy combination of the rad and magnatic, and the huppy combination of the rad and imagnatic, and the huppy combination of the rad and imagnatic, and the huppy combination of the rad and imagnatic, and the huppy combination of the rad and imagnatic, and the huppy combination of the rad and imagnatic, and the huppy combination of the scale opposite in dollars and cents, then you may be centum, that if the idea and purpose of a Magazine proper, with the idea and purpose of a Magazine proper, with the idea and purpose of a Magazine that lakes every form of interestive, dignified, and utarcure frastance in a grasp —Southern Times The volume. Joound constitue of licenselves a h-torn in the same compass in any be centum, that its the that scome under our nonce.—Batton Courier. The volume should counting of the baston Courier. Using sectomoly it is the best - submed work of the hum the knowe grass from the Edulor's Table area. Using the work of the publication then has come under our nonce.—Batton Courier. Using sectomoly it is the best - submed work of the hubor price — N. Christian Advecate and Journal. We more there in the trad of y

**Copartmership.** I HAVE this day associated with myscif in husiness iny son, George H. Rumple, in constituentship with whom I will continue the Hardware Business, at the old stand in Locust street below Second, under the farm of J. Rumple & Son. I return sincere thanks to the public for past liberal patronage, and respectfully ask a continuance to the sew firm. Columbus' April 26th, 1500.

d monthly essays from the Editor's nice - N Y. Christian Advocate and

sphendid mominity resays from the Editor's Table are howe price -N Y. Christian Advecate and Journal. We must reter in terms of calogy to the high tone and writed excellences of fairper's Magazine, a jour-nal with a monitaly circulation of about 170 600 copies in whose pages are to be found some of the choicest light and general reading of the day. We speak of this work as an evidence of the American people, and the popularity of his arequired is mented. Each number zoneans fully 144 pages of instructive matter, uppropriately filostiated with good wood-cuts and its combines in itself the arey monital and the more philosophical quarterity, blended with the best ten-ture, or the daity journal 11 has great power in the erention and discontinuant of a love of puse litera-lard.

TF. KANS: The Magazine may be olitained of Booksellers, Pe-codical Agents, or from the Publishers, at THESE Dar-tans a year, or TWENT FIVE CENTA a Number The Syma annual Volumes, as completed, nexity bound in
