J. C. Atra & Co. Gents: I feel it my duty to so-knowledge what your Estraparlia has done for melating interied a Scrotlous infection, I have suffered from it in various ways for years. Somethics it burst out in Ulcers on Lmy hands and arms; symetimes it turned inward and distressed me at the stomach. Two years ago it broke out on my head and covered my scalp and ears with one sore, which was painful and loathsome beyond description. I tried many medicines and several physicians, but without much relief from any thing. In fact, the disorder grew worse. At length I was rejoiced to real in the Gospel Messenger that you had prepared an alterative (Sansaparlias), for I knew from your teputation that any thing you made must be good. I sent to Cincinnatiand got it, and used it till it cured me. I took it, as you advise, its small doses of a tenspoonful over a month, and used almost three bottles. New and healthy skin soon lagent to form under the scale, which after a while fell off. My skin is now fear, and I know by my fealings that the discusse has gone from my system. You can well believe that I feel what I am saying when I tell you, that I hold you to be one of the appealed of the age, and remain ever gratefully.
