AYER'S Sarsaparilla FOR PURIFYING THE BLOOD.

And for the speedy cure of the following complaints:
Sgrofula and Scrofulous Affections, such
as Tumors, Ulcers, Sores, Eruptions,
Pimples, Pustules, Blotches, Boils,
Blains, and all Skin Diseases.

Pinnples, Pustules, Blotches, Bolls, Blains, and all Skin Discarces.

J. C. Aver & Co. Gents: I feel it my daty to acknowledge what your varsaparilla has done for me. Having inherited a Scrofulous infection. I have suffered from, it in various ways for years. Sometimes it burst out in Ulcers on my hands and arms; sometimes it turned inward and distressed me at the stomach. Two years ago it broke out on my lead and covered my scalp and ents with one sore, which was painful and loathsome beyond description. I tried many medicines and several physicians, but without much relief from any thing. In fact, the disorder grew wase. At length 1 was rejoked to read in the Gospel Messenger that you had prepared an alterative (Sarsapanilla), for 1 knew from your reputation that any thing you made must be good. I sent to Cincennatiand got it, and used it till it cured me. I took it, as you advise, in small doese for a tempondal over a month, and used almost three-bottles. New and healthy skin som began to form under the seab, which after a while fell off. My skin is now clear, and I know by my feelings that the discase has gone from my system. You can well believe that I feel what I am saying when I tell you, that I hold you to be one of the apostles of the age, and remain ever gratefully.

St. Anthony's Fire. Rose or Erysipelas, Tetter and Salt Rheum, Scald Head, Ringworm, Sore Eyes, Dropsy. Dr. Robert M. Preble writes from Salem, N. Y., 12th Sept., 159, that he has cured an inveterate case of Drapsy, which threatened to terminate fatally, by the persevering use of our Sarsuparilla, and also a dangerous Malignant Eryptipelus by large doses of the same; says he cures the common Eruptions by it constantly.

Leucorrheen or Whites, Ovarlan Tumor, Uterine Ulceration, Fennale Diseases.

Dr. J. B. S. Channing, of New York City, wites, "I most cheefully comply with the request of your agent in saying I have found your Sarspan illa a most excellent alterative in the nuncerous complaints for which we employ such a remedy, but especially in Funde Diseases of the Scrofulous diathesis. I have cured many inveterate cases of Leuconthea by it, and some where the complaint was caused by ulcration of the ulcrus. The alceration itself was soon cured. Nothing within my knowledge equals it for these female derangements."

Edward S. Marrow, of Newbury, Ala., writes, "A dangerous vertran tumor on one of the females in my family, which had defied all the remedies we could employ, has at length been completely cured by your Extract of Sarsaparilla. Our physician thought nothing but extripation could afford reliet, but he advised the trial of your Sarsaparilla as the last resort before cutting, and it proved effectual. After taking your remedy eight weeks no symptom of the disease remains."

Syphilis and Mercurral Disease.

New Oblians, 25th August, 1859.

Dr. J. C. Atel Sir, I cheerfully comply with the request of your agent, and report to you some of the effects I have cured with it, in my practice, most of the effects I have cured with it, in my practice, most of the complaints for which it is recommended, and have found its effects truly wonderful in the cure of Feneral and Mercurial Disease. One of my patients had Syphilite alects in his threat, which were consuming his palate and the top of his month. Your Sarsaparilla, steadily taken, cured him in hee weeks. Another was attacked by secondary symptoms in his nose, and the alregation had eaten away a considerable part of it, so that I believe the disorder would soon reach his bash and kill him. But it yielded to my administration of your Sarsaparilla; the ulcus healed, and he is well again, not of comes without some disligaration to his face. A woman who had been treated for the same desorder by mercury was suffering from this pation in her bones. They had become so sensitive to the weather that on a damp day she suffered excurciating path in her joints and bones. She, tro, was cured entirely by your Sarsaparilla in few weeks. I know from its formula, which your agent gave me, that this Proparation from your laborardory must be a great remedy; consequently, these truly remarkable results with it have not surplised me.

Fraternally yours, G. V. LARIMER, M. D.
