SPLENDIDLY ILLUSTRATED.

Price Six cents a number; \$2,50 per year.

Centeal Notices of the Priss.

We would not so often call attention to Harper's Westly if we were not well satisfied that it is the tamily paper published in the United States, and for that ceason, and that atone, we desire to see it underging and root at certain kind of herature too prevalent, which blums the morals of its realers, withtee their taste for ceasable reading, and it altogether had in its effects—Now London Attention. In firely leaves, its clear type, its entertaining variety, its severe but just criticisms apon the follies of the lines, its elegantity writer, and obstructive atticles, and its able correspondence, all compine to make it the model newspaper of our country, and one time every family mest prize. Its condensed weekly turn may of Forcy and Donestic Intelligence is altogether superior to that contained in any other journal Being published too, in a form for preservation and binding, if taken care of us it deserves to be, it will be found in future y ears as we good as the highly and fires de as the day on which it was first perused.—N Y Eering Post.
