Are you sick, feeble, and complaining! Are you out of order, with your system demanded and your feelings uncomfortable? These symbours are often the prelude to serious lineas. Some fit of

MINAMER to the serious libres. Some fit of skiness, is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Fills, and cleanse out the disordered him more purify the blood, and let the fluids move on unobstructed in health again. They stimulate the functions of the body into vigorous activity, purify the system from the obstructions which make disease. A cold settles somewhere in the body, and obstructs its natural functions. These, if not relieved, renet upon themselves and the surrounding organs, producing general aggravation, suffering, and disease. While in this condition, oppressed by the derangements, take Ayer's Fills, and see how directly they restore the natural action of file system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and consume complaint, is abse true in many of the deep-scated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surfey, cured by the same means. None who know the virtues of these fills, will neglect to employ them when suffering from the disorders they cure.

JRICE

From a Forwarding Merchant of St. Louis, Feb. 4, 1856.

Dn. Aren: Your Pills are the paragon of all that is great in medicine. They have cared my little daughter of alectous sores upon her hands and feet that had proved incurable for years. Her mother has been long grievously afflicted with blotches and pinaptes on her skin and in her hair. After our child was cared, she also tied your Pills, and they have cared her.

ASA MORGRIDGE.

As a Family Physic. As a Family Flaysic.

From Dr. E. M. Curtwright, New Orleans.

Your Pills are the prince of purges. Their excellent unlities surpass any cathertic we process. They are filld, but very certain and effectual in their action on the owels, which makes them invaluable to us in the daily extunct of disease.

Headache.SickHeadache,Foul Stomach

From Dr. Edwin d Royd, Ballimore.

Dean liso. A year: I cannot answer you what complaint have ented with your Pills better than to say all that we er treat with a purpative medicine. I place great depen-ence on an effectual cathartic in my daily context with issuese, and believing as I do that your Pills afford us the ost we have, I of course value them highly. Dr. J. C. Aven. Sir: I have been repeatedly cured of the worst headened any body can have by a does or two of your Pills. It seems to arise from a foul stomach, which they cleanes at once.

Yours with great respect, Dr. W. PREBLE, Clerk of Steamer Clarion.

Bilious Disorders - Liver Complaints. From Dr. Theodore Bell, of New York: City.

Not only are your Pills admirably adapted to their purpose as an aperient, but I find their beneficial effects upon the Liver very marked indeed. They have an up practice proved more effectual for the cure of bilious complaints than any ane remedy I can mention. I sincerely reduce that we have at length a purgative which is worthy the confidence of the profession and the people.

Dipartment of the Interactor.

Sir: I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathertic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable temedy for derangements of that organ. Indeed, I have seldom found a case of that organ. Indeed, I have seldom found a case of bilious disease so distinate that it did not rendily yield to them. Fraternally yours, ALONZO BALL, M. D.,

Physician of the Marine Hoppital.

Dysentery, Distrikos, Relax, Worms.

From Dr. J. G. Green, of Chicogo.

Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best aperious I have ever found. Their alterative effect upon the liver makes them an excellent remedy, when given it small doses for bilious dysentery and distrikas. Their sugar-centing makes them very acceptable and convenient for the use of women and children.

Dyspepsia, Impurity of the Blood.

From Rev. J. V. Hunes, Pustor of Advent Charles, Boston.
Dr. Aven: I have used your Pills with extraordinary success in my family and among those I am called to visit in discress. To regulate the organs of digestion and purify the blood, they are the very best remedy I have ever known, and I can confidently tecomment them to my filends.

Yours, J. V. HIMES. Warsaw, Wyoming Co., N. Y., Oct. 24, 1855.
DEAR Sm: I am using your Cathartic Pills in my pia
tice, and find them an excellent purgetive to cleanse if

Constitution, Costiveness, Suppression, Riteumatism, Gout, Neuralgia, Drop-sy, Paralysis, Fits, etc.

sy, Paralysis, Fils, etc.

From Dr. J. P. Yanglan, Montreal, Canada.

Too much cannot be said of your Pills for the cure of catineness. If others of our frate nity have found them as efficacious as I have, they should join me in proclaiming it for the benefit of the multitudes who suffer from that complaint, which, although bad enough in itself, is the progenitor of others that are worse. I believe cativeness to originate in the liver, but your Pills affect that organ and cure the disease.

From Mrs. E. Stuart, Physician and Midwife, Boston. I find one or two large doses of your Vills, taken at the proper time, are excellent promotives of the natural zero-time when whelly or partially suppressed, and also very effectual to cleanse the atomach and expel worms. They are so much the best physic we have that I recommend no other to my patients.

From the Rev. Dr. Hawkes, of the Methodist Epis. Church. From the Hev. Dr. Hawker, of the Methodist Tpir, Church,
FYLANK HOSER, SAVADIAD, Ga., Jan. 6, 1856.
HONORED SIR: I should be ungrateful for the relief
your skill has brought me if I sid not report my case to
you. A cold settled in my limbs and brought on excruciating memorage panne, which ended in chance rhometian. Notwithstanding I had the best of physicians, the
disease grew worse and worse, until by the add see of your
excellent agent in Baltimore, Dr. Mackensie, I tried your
Fills. Their effects were slow, but sure. By persevering
in the use of them, I am now entirely well.

Senate Chamber, Baton Rouge, La., 5 Dec., 1855.
Dr. Aten: I have been entirely cured, by your Pills, of Rheumatic Gout—a painful disease that had afficted me for years. Most of the Pills in market contain Mercury, which, although a valuable remedy in skilful hands, is dangerous in a public pill, from the dreaful consequences that frequently follow its incantious use. These contain no mercury or mineral substance whatever. Price, 25 cents per Box, or 5 Boxes for \$1. Prepared by Dr. J. C. AYER & CO., Lowell, Mass. Said by H. John & Co , and W. S.
