Are you sick; feeble, and complaining! Are you out of order, with your system deranged, and your feelings uncomfortable? These symptoms are often the prelude to serious litness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills, and cleanse out the disordered humors—purify the blood, and let the dislike move on unobstructed in health again. They stimulate the functions of the body into vigorous activity, purify the system from the obstructions which make disease. A cold settless somewhere in the body, and obstruct its natural functions, suffering, and disease. The send of the body into vigorous activity, purify the system from the obstructions which make disease. A cold settless somewhere in the body, and obstructions in temselves and the surrounding organs, producing general argravation, suffering, and disease, which is the condition, oppressed by the derangements, take Ayer's Pills, and see how directly they restore the institutal action of the system, and with it the buoyant feeling of health agais. What is tree and so apparent in this trivial and common complaint, is also true in many of the deep-seated and dangerons distempore. The sende to purpative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them arrely, cured by the same means. disease, and believing as I do that your Pills afford us the
best we have, I of course value them highly.

Dr. J. C. Ayre. Sir: I have been repeatedly cured of the worst kreakeler any body can have by a dose or two fown Pills. It seems to arise from a foul stomach, which they cleanse at once.

Yours with great respect,

Not only are your Pills admirably adapted to their purpose as an aperiont, but I find their beneficial effects upon the Liver very marked indeed. Sin: I have used your Fills in my general and hospital practice ever since you made them, and cannot heshate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of bilious disease so obstinate that it did not readily yield to them. Fraternally yours, ALONZO BALD, M. D.,

I believe continuous to originate in the liver, but your Pills affect that organ and cure the disease.
