Constipation, Contiveness, Suppression, Rheumatism, Gout, Neuralgia, Dropsy, Paralysis, Fits, etc.

From Dr. J. P. Yaugha, Montred, Canada.

Too much cannot be asid of your Pills for the cure of catieurus. If others of our faternity have bond them as effections as I have, they should join me in proclaiming it for the benefit of the multitudes who sufter from that complaint, which, although bad enough in Real, is the progenitor of others that are worse. I believe cateries to originate in the liver, but your Pills affect that organ and cure the disease. From Mrs. E. Stuart, Physician and Midwife, Boston.

From Mrs. 16. Stuart, Fragician and analysis, seems. I find one or two large doves of your Fills, taken at the proper time, are excellent promotives of the natural servetum when whelly or partially suppressed, and also very effectual to cleanse the atomach and expel toward. They are so much tho best physic we have that I recommend no other to my patients. From the Rev. Dr. Hawkes, of the Methodis! Epis, Church. From the Rev. Dr. Hawker, of the Methodist Epis. Church.

ONLASKI HOUSE, Savannah, Ga., Jan. 6, 1856.

HONDARD SUR: I should be unginateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on excraning nearaphage panes, which ended in chronoc-themacism. Notwithstanding I had the best of physicians, the heases grew worse and worse, until by the advice of your receivest agent in Baltimore, Dr. Markenzie, I tried your Pills. There effects were slow, but sure. By persovering in the use of them, I am now entirely well.

SENATE CHAMBER, Baton Rouge, La., 5 Dec. 1855.

B. AYER: I have been entirely curvel, by your Pills, of annote Gout—a painful disease that had afflicted my years.

VINCENT SLIDELL.
