Soldiers could be seen marching up and down the banks, with turkeys, chickens, geese, &c., suspended from their bayonets. Col. Tyler's battery of five siege-guns are now mission to bury their dead. This shows planted on the river bank, about two hundred yards in rear of our camp, which I badly cut up to maintain their position, and think, will send them to the last hole if ever that their falling back yesterday was from they try it again. All is quiet at present of the river, the only cuemies we have quitoes: they march in upon us in whole brigades, while "Old Sol" comes down with

a vengeance.
I am told that "Bowery" is coming out with a company. Michael, can't you man-age to send a keg of lager with him; and let him stop at the quarters of the 6th U. S. Javalry Regimental Band? he will find the happiest set of boys be ever beheld. Oh, shew! but it's hot! and our friend Lewis Tredenick, is sweating as much as any of us. Lewis is as jolly us ever, and has come to see the sights. B. F. B.

Washington, August 10.—The most desperate fight for the numbers engaged since the war commenced occurred yesterday at Cedar Mountain, eight miles south of Culpepper Court House, Virginia, between General Banks' corps d'armee of Gen. In the afternoon Crawford's brigade of General Williams' Division, composed of the Forty-sixth Pennsylvania, Tenth Maine, Fifth Connecticut and Twenty-eighth New York Regiments, with Brest's Buttery of Regulars, moved forward to a piece of high Six miles beyond Culpepper,
