Use would not so often call attention to Harper's Weekly if we were not well satisfied that it is the family paper published in the United States, and for that reason, and that alone, we desire to see it undermine and root out a certain kind of literature too prevalent, which blums the morals of its renders, vitiates their taste for sensible reading, and is a ltogether bad in its effects.—New London Advertiser.

Its feesh leaves, its circar twoe, its emergations we effects.—New London Advertiser.

Its fresh leaves, its clear type, its emertaining variety, its severe but jost criticisms mpon the follies of the times, its elegantly writte, and anterestive articles, and its able correspondence, all combine to make it the model newspaper of our country, and one tnat every family must prize. Its condensed weekly sum mary of Forcis and Domestic Intelligence is altogether superior to that contained its any other journal.
